SCHEDULE OF EVENTS

THE MASTER AGREEMENT TERMS AND CONDITIONS APPLY TO THIS INVITATION TO BID

I. SCHEDULE OF EVENTS

A. The State expects to adhere to the tentative procurement schedule shown below. It should be noted; however, dates are approximate and subject to change.

	ACTIVITY	DATE/TIME
1	Release Invitation to Bid	August 30, 2019
2	Last Day to Submit Written Questions	September 6, 2019
3	State Responds to Written Questions Through an Addendum to be posted to the internet at: http://das.nebraska.gov/materiel/purchase_bureau/vendor/vehicle-itb.html	September 13, 2019
4	Bid Opening Location: Nebraska State Purchasing Bureau 1526 K Street, Suite 130 Lincoln, NE 68508	September 20, 2019 2:00 p.m. Central Time

B. WRITTEN QUESTIONS AND ANSWERS

Questions regarding the meaning or interpretation of any ITB provision must be submitted in writing to SPB and clearly marked "ITB Number **6133 OF; 2020 or Current Production Year for HALF TON REGULAR CAB 4x4 4 DOOR TRUCK FFV E85 (Regular)** Questions". The POC is not obligated to respond to questions that are received late per the Schedule of Events.

Bidders should present, as questions, any assumptions upon which the Bidder's bid is or might be developed. Bids will be evaluated without consideration of any known or unknown assumptions of a Bidder. The contract will not incorporate any known or unknown assumptions of a Bidder.

It is preferred that questions be sent via e-mail to as.materielpurchasing@nebraska.gov, but may be delivered by hand or by U.S. Mail. It is recommended that Bidders submit questions using the following format.

ITB Section Reference	ITB Page Number	Question

Written answers will be provided through an addendum to be posted on the internet at http://das.nebraska.gov/materiel/purchase_bureau/vendor/vehicle-itb.html shown in the Schedule of Events.

*****WARNING...DO NOT BID BASE TRUCK WITH XL, 1WT OR ST PACKAGE ON THIS ITB*****

II. BIDDER INSTRUCTIONS

Bidder must respond to each of the following statements. Specifications listed are minimum conditions that must be met in order for a bidder to qualify for the award.

A "YES" response means the bidder guarantees they can meet this condition.

A "NO" response means the bidder cannot meet this condition and will not be considered.

"NO & PROVIDE ALTERNATIVE" responses should be used only with a narrative response in the NOTES/COMMENTS section explaining in detail any deviation from the bidder's ability to meet the condition, and an explanation of how this would be determined to be an acceptable alternative to meeting the condition. Alternatives must be detailed in such a way that allows such deviations to be fully evaluated. **The State of Nebraska will determine at its sole discretion whether or not the vendor's alternative is an acceptable alternative.**

*****ALL SPECIFICATIONS LISTED BELOW ARE REQUIREMENTS*****

A. CAB AND BODY

YES	NO	NO & PROVIDE ALTERNATIVE	
			1. Color: Cab, Body and fenders will be selected from manufacturer's standard colors. (NOTE: attached color charts are considered manufacturer colors with no extra charge unless specified on color chart in the options). All paint will be base coat/clear coat acrylic, activator-hardened acrylic or polyurethane type.
			2. CAB and BODY: Fully enclosed safety type cab. The standard truck box not be less than 96" long by 63" wide (inside dimensions) and be of double sidewall construction. Minimum 50" wide between wheel wells.
			3. Glass: Approved tinted safety glass in all doors, windows, and windshields.
			4. Headliner: Fully insulated headliner.
			5. Insulation: Standard production heat and sound insulation to be provided. Body and interior finished to exclude excessive noise and weather.
			6. Seats: The 40-20-40 or 60-40 style seat and fold down center console to be furnished. Seat must be manufacturer's heavy duty, optional, maximum depth foam rubber, with heavy-duty covering (cloth). Out-board seats to have head restraints or high backs.
			7. Arm Rests: Both left and right-hand sides of each front seat. Fold down center console and door armrests to be furnished and acceptable as arm rests.
			8. Manufacturer's Automatic Speed Control.
			9. Sun Visors: Dual, padded.
			10. Floor Coverings: Rubber matting type, if factory available.
			11. Rearview Mirrors: Interior adjustable, rear vision mirror of day and night selector type (non-glare). Two (2) Exterior electric, heated, rear vision, right and left, interior adjustable, minimum 6" by 9", swing type preferred.

*****WARNING...DO NOT BID BASE TRUCK WITH XL, 1WT OR ST PACKAGE ON THIS ITB*****

			12. Frame (Half Ton Regular Cab 4x4 Truck): Section modules rated at not less than 3.2, with 36,000-PSI yield strength steel.
			13. Air Conditioner: Manufacturer's installed air-conditioning, manually controlled, to include all items normally included in the factory package.
			14. Fenders and Bumpers: Manufacturer's standard fenders front and rear. Manufacturer's front bumper and step-type, rear bumper to be chrome or body color.
			15. Fuel Tank: Largest capacity fuel tank available from factory. *****State Size of Fuel Tank being bid: _____**
			16. Skid plates
			17. Seat Belts: Lap/shoulder seat belts with automatic retractors for out board seating. Middle seat belt, preferably with retractors.
			18. Power Outlet.
			19. Windshield Wipers: Manufacturer's electrically operated, multiple speed with delay modes, manually controlled with electric windshield washer jets to each wiper blade and with intermittent or delay capability.
			20. Heater: Installed fresh air type heater with dual defroster tubes to windshield.
			21. Lights: Halogen high beam headlights with low beam, parking, dome, tail, backup, stop lights, front and rear directional turn signals with self-canceling control on steering column, Daytime running lights and Front facing fog lights.
			22. Controls and Instruments: Key locking ignition switch, head, parking and dome light switches, headlight beam control; speedometer; charge indicator; fuel gauge; oil pressure indicator; engine temperature indicator; high beam indicator light; traffic hazard switch; flashing turn indicator lights. In cab hood release.
			23. Radio: Manufacturer's AM/FM stereo.
			24. Manufacturer's Power Locks.
			25. Two (2) fully functional keys and FOBs to enter and operate the vehicle. *****Will vehicle have keys ONLY (circle one):** **YES NO**
			26. Windows: Manufacturer's electric power windows.
			27. Airbags: Manufacturer equipped and installed.
			28. Floor Mats: Trucks to be delivered with rubberized factory floor mats. Rubberized equivalent floor mats (through the dealer parts room) are acceptable.
			29. Trailer Tow: Trailer tow package, complete with all hardware including RECEIVER HITCH. Hitch to meet maximum towing requirement for the vehicle being bid. *****Please specify hitch class:** _____

*****WARNING...DO NOT BID BASE TRUCK WITH XL, 1WT OR ST PACKAGE ON THIS ITB*****

			30. Dealer must provide a maximum trailer weight value for the vehicle being bid prior to contract award: *****Please specify maximum trailer weight value:** _____
			31. Installed front tow hooks.
			32. Manufacturer's integrated brake controller system.
			33. Manufacturer's trailer sway control system.
			34. Manufacturer's wireless Bluetooth technology and connectivity, which allows for hands-free operation for device connection(s).
			35. Manufacturer's electronic compass/temperature display. Interior rearview mirror, dash display center, or combination is acceptable. *****Specify display devices:** _____
			36. Installed rear vision camera and rear sensing device.
NOTES/COMMENTS:			

B. ENGINE AND DRIVE TRAIN

YES	NO	NO & PROVIDE ALTERNATIVE	
			1. Engine: Minimum of 5.0L V8.
			2. Transmission:
			a. Manufacturer's minimum six (6) speed automatic transmission. Requires auxiliary or heavy-duty oil cooler for the automatic transmission.
			b. A minimum two (2)-speed transfer case to be installed.
			c. Skid plate(s) for the transfer case furnished.
			3. Air Cleaner: Dry type.
			4. Oil Filter: Full flow throwaway type.
NOTES/COMMENTS:			

C. SUSPENSION AND RUNNING GEAR

YES	NO	NO & PROVIDE ALTERNATIVE	
			1. Wheelbase: Minimum of 133".
			2. Steering: Power steering.
			3. Steering Wheel/column: Manufacturer's tilt steering wheel.
			4. Shock Absorbers: Front and rear.
			5. Axle and springs:

*****WARNING...DO NOT BID BASE TRUCK WITH XL, 1WT OR ST PACKAGE ON THIS ITB*****

			a. Manufacturer's independent front suspension and single speed hypoid rear axle, all with spring sizes and axle sizes recommended to meet GVWR.
			b. The axle gear ratios to be the same in the front and rear axles.
			c. Front stabilizer bar installed.
			6. Brakes:
			a. Power service brakes; disc/drum or disc/disc combination.
			b. Disc to have a minimum 11" rotor; drum a minimum 11" by 2".
			c. Parking brakes on rear wheel or drive line.
			d. Brakes to be anti-lock type.
			7. Wheels: Five (5), 17" spare carrier comprised of chrome or aluminum alloy. Spare can be steel.
			8. Suspension: To be designed to handle passenger and cargo requirements.
			9. Tires:
			a. To be equipped with five (5) full-sized black wall, tubeless, all season steel-belted radial tires on rims (minimum 17").
			b. Factory installed and of regular production, minimum as recommended by the manufacturer.
			c. Spare tire and wheel to match service tires and wheels.
			d. Spare can be steel rim.
			e. Tires to comply with manufacturer's GVWR.
			f. Tires should have a 50,000-mile tire rating.
			g. Tires to be manufactured and labeled by a major manufacturer and installed by factory.
			10. Differential: Limited slip, anti-spin, electronic locking type or equivalent system. *****Specify axle ratio:** _____ *****Specify type bid:** _____
NOTES/COMMENTS:			

D. ELECTRICAL SYSTEM

YES	NO	NO & PROVIDE ALTERNATIVE	
			1. Ignition System: 12-volt, solid state. Must be equipped with high tension, radio frequency shielded, ignition wiring. The vehicle is to be compatible with use of installed mobile radio.
			2. Battery: Heavy-duty, Maintenance free, highest cold cranking capacity amperage available from the factory for the model bidding. *****Specify capacity:** _____
			3. Alternator: Standard. *****State Amperage Rating Bid :** _____

*****WARNING...DO NOT BID BASE TRUCK WITH XL, 1WT OR ST PACKAGE ON THIS ITB*****

			4. Bonding and Grounding: All components of the vehicle necessary to prevent interference with reception of low band two (2)-way radio installed in the vehicle and adequately bonded and grounded.
NOTES/COMMENTS:			

E. **RADIO FREQUENCY SHIELDING** ***CAUTION***

YES	NO	NO & PROVIDE ALTERNATIVE	
			1. The chassis and/or installed components and equipment are compatible with use of Nebraska Department of Transportation (NDOT) mobile and/or two (2)-way communication devices. Main communication radio operates in low band range of 47 MHz to 48 MHz, but all frequencies apply including low band, high band, UHF and VHF.
			2. The chassis and/or installed components and equipment manufactured to meet all current SAE and/or ISO Standards applicable and/or relevant to Electromagnetic Compatibility.
			3. NDOT will conduct testing of radio/two (2)-way when installed in chassis.
			4. NDOT will notify vendor if normal operational parameters are not met due to degradation of signals caused by electromagnetic emissions from chassis or installed components and equipment.
			5. Vendor is required to work with NDOT personnel to reduce interference level to a point acceptable to NDOT normal radio operating parameters.
			6. Vendor has thirty (30)-days to resolve radio frequency interference issue.
			7. Vendor and/or manufacturer will be responsible for any and all cost to replace and/or modify any parts found to cause radio frequency interference.
			8. If NDOT and vendor cannot resolve source of radio frequency interference the unit will be sent to an independent accredited lab for testing to ensure SAE and/or ISO Standards compliance.
			9. Testing done to SAE and/or ISO Standards, which are current at date of bid.
			10. Should the chassis and/or installed components and equipment fail testing at the accredited lab, the vendor is responsible for all cost incurred for testing.
			11. If after testing by NDOT and or accredited lab, the vendor is unable or unwilling to incur the cost and correct the radio frequency interference issue to the satisfaction of NDOT, **all orders and corresponding contract will be cancelled**.
NOTES/COMMENTS:			

WARNING...DO NOT BID BASE TRUCK WITH XL, 1WT OR ST PACKAGE ON THIS ITB

F. MISCELLANEOUS

YES	NO	NO & PROVIDE ALTERNATIVE	
			1. All trucks protected to 34 degrees below zero Fahrenheit by a permanent type ethylene glycol base antifreeze of the brand normally furnished by the manufacturer.
			2. The radiator is to be tagged or marked to indicate the type, brand and degree of protection.
			3. A Thermostat to be installed for permanent-type antifreeze and be equipped with a coolant recovery system.
			4. Manufacturer's optional increased cooling capacity system must be furnished.
			5. Each unit to be delivered to the purchaser with all wheels balanced and the front end aligned.
			6. Manufacturer's standard equipment jack to comply with GVWR must be supplied. The standard complement of tools such as wheel lug wrench, and jack handle provided, together with facilities for storage.
			7. All equipment delivered with the vehicle upon delivery, for example, floor mats and two (2) keys.
			8. Purchase orders issued from the resulting contract(s) may specify prospective delivery dates due to agency operational needs and budget; upon acceptance of purchase order Contractor agrees to abide by any such prospective delivery date.
			9. Non-Contract Items are items not listed on the contract, but the ordering agency may need them for their business needs, to complete the purchase of the vehicle. The ordering agency will request the Non-contract item(s) in written form. Attach all pricing documentation to the purchase order and add a line titled "Non-Contract Item".
			10. Contractor to provide a link to price list for Non-Contract Items or catalog pricing for MSRP with corresponding discount from MSRP.
			11. Manufacturer's OEM window sticker to be included when vehicle is delivered.
NOTES/COMMENTS:			

*****WARNING...DO NOT BID BASE TRUCK WITH XL, 1WT OR ST PACKAGE ON THIS ITB*****

G. SUSTAINABILITY

YES	NO	NO & PROVIDE ALTERNATIVE	
			1. If any part or component of the vehicle bid contains recycled or bio-based material(s), please list and provide detailed information on the environmental attributes below. **Please provide detailed information on the environmental attributes.** _____ _____
NOTES/COMMENTS:			

H. DELIVERY

YES	NO	NO & PROVIDE ALTERNATIVE	
			1. All vehicles are to be delivered FOB destination in Lincoln, Nebraska and in accordance with the Delivery Schedule shown on the purchase order.
			2. Trucks are to be road ready, fully equipped, serviced, and washed with the equivalent of a ¼ tank of gasoline.
			3. After the truck has been fully serviced, the dealer may deliver it by rail freight, truck transport or by driving to the destination.
			4. Odometer mileage: Within a 200-mile radius of Lincoln (less than 200 miles on odometer) Outside the 200-mile radius of Lincoln (less than 450 miles on odometer) Vehicles will not be accepted if all paper work is not with the vehicle at time of delivery. Dealer will retain ownership of the vehicles until the purchaser has signed all required paper work.
			5. Deliveries to be made between the hours of 9:00 AM and 3:00 PM daily, except Saturday, Sunday, and holidays. All deliveries must be scheduled with the Agency Representative.
			6. Trucks showing lack of proper dealer pre-delivery service are subject to rejection until the vehicle is properly serviced.
			7. Factory pre-delivery service is not acceptable.
			8. Dealer nameplates, decals, etc. will not be affixed.
			9. A signed copy of the completed manufacturer's "New Vehicle Preparation-Inspection and Road Test" form must accompany each vehicle at time of delivery.
			10. Invoices to describe the truck, including vehicle identification number (VIN), key number and State of Nebraska purchase order number.
			11. Contract supplier(s) may honor pricing and extend the contract to political subdivisions, cities and counties. Political subdivisions, cities, and counties must meet terms and conditions of the contract.

*****WARNING...DO NOT BID BASE TRUCK WITH XL, 1WT OR ST PACKAGE ON THIS ITB*****

			12. Trucks that have been wrecked or sustained more than minor nicks and scratches will not be accepted. The vendor should not attempt to deliver a unit until minor nicks and scratches have been repaired. Failure to comply with the above may result in the dealer not being allowed to bid on future motor vehicles contracts.
			13. Vendor will provide order number to the purchaser within five (5) business days after Purchase Order has been received. Vendor will email, fax, or mail this information to each buyer.
			14. The original manufacturer's statement of origin, a service authorization card, and a properly executed service and warranty policy will accompany each vehicle when delivered.
			15. Each vehicle will be completely checked by the vendor to ensure conformance with the manufacturer's specifications and the State of Nebraska requirements as stated herein.
NOTES/COMMENTS:			

I. WARRANTY

YES	NO	NO & PROVIDE ALTERNATIVE	
			1. The manufacturer's standard warranty applies to each vehicle:
			a. A minimum warranty of three (3) years, 36,000 miles or the manufacturer's standard warranty, whichever is greater.
			b. A minimum of 5 years, 100,000 miles rust warranty.
			c. Mechanical or body repair under manufacturer's warranty, prior to use of the vehicle by the State, is the responsibility of the selling dealer, including the transportation thereof.
			d. Warranty to be effective from date of issuance of first assignment and the mileage warranty will begin from the mileage on the odometer on the date of assignment.
			e. The selling dealer will provide warranty activation cards or delayed warranty forms with manufacturer mailing information in order to properly activate said warranty.
			f. *****Indicate standard manufacturer's warranties if they vary from said specifications:** _____ _____ _____
NOTES/COMMENTS:			

*****WARNING...DO NOT BID BASE TRUCK WITH XL, 1WT OR ST PACKAGE ON THIS ITB*****

J. SERVICE

YES	NO	NO & PROVIDE ALTERNATIVE	
			1. Prior to the awarding of, or entering into any agreement or contract, whether verbal or in writing, it is the responsibility of the manufacturer and/or the successful bidder to ensure and satisfy the State of Nebraska that there are factory authorized dealers, geographically located within the United States of America and the State of Nebraska, who will service and repair the vehicles being submitted for consideration without undue delay.
			2. It is the responsibility of the vendor to see that the following agencies have received, or will receive in a timely fashion, Fleet Buyers Guides and Source Book for ordering purposes: AS/Transportation Services Bureau, AS/Materiel Buyer, University of Nebraska-Lincoln Transportation Services, Game and Parks Commission, Department of Transportation, and the Nebraska State Patrol.
			3. It is the obligation of the State of Nebraska to pay contingent upon legislative appropriation of funds for that purpose. Should said funds not be appropriated, the State of Nebraska may terminate this agreement. The State of Nebraska will give the vendor thirty (30) days written notice of such termination.
			4. Vendor must indicate to whom payment is to be made, stating full name of company or entity, complete address and telephone number.
			5. After contract is awarded, payment will only be made as indicated unless written notification is made to the AS/Materiel/Purchasing Bureau requesting an addendum to the contract; must be done thirty (30) days prior to the delivery of vehicle. THERE WILL BE NO EXCEPTIONS!
			6. If vendor is interested in electronic fund transfer (EFT) payment, please contact purchasing agency after contract has been awarded.
			7. The manufacturer and/or the successful bidder should allow the State of Nebraska to participate in the manufacturer's service training network. Service network includes dealer onsite training, schools and computer based training when applicable.
NOTES/COMMENTS:			

K. EXTENSION OPTION

YES	NO	NO & PROVIDE ALTERNATIVE	
			1. The State reserves the right to extend the period of this contract beyond the end date when mutually agreeable to the vendor and the State of Nebraska for fifty percent or less of the initial contract term, per Neb Rev § 81-1118.
NOTES/COMMENTS:			

*****WARNING...DO NOT BID BASE TRUCK WITH XL, 1WT OR ST PACKAGE ON THIS ITB*****

L. BID COMPLIANCE

YES	NO	NO & PROVIDE ALTERNATIVE	
			1. Technical specifications have been read and fully understood. Any exceptions have been written on the bid or attached. Bid is signed and unit price is in compliance with the given unit of measure.
NOTES/COMMENTS:			

M. MASTER AGREEMENT TERMS AND CONDITIONS

YES	NO	NO & PROVIDE ALTERNATIVE	
			1. The Master Agreement Terms and Conditions have been read and fully understood. Any exceptions with the Master Terms and Conditions have been written on the document or attached. The Master Agreement is signed and has been returned to State Purchasing Bureau before or with the first bid submitted. The Master Agreement Terms and Conditions is located at: http://das.nebraska.gov/materiel/purchasing/Vehicles/Vehicle.html Please note that the Master Agreement Terms and Conditions are required to be signed and submitted to the State Purchasing Bureau on or before the bidder submits their first bid for the 2020 Production Model Year. Once submitted for the 2020 Production Year, the Master Agreement Terms and Conditions are valid for every bid submitted for any category of vehicle during this cycle.
NOTES/COMMENTS:
