Subject: 3% Withholding

As you are aware, a 2007 State law was passed requiring each employee to have at least 3% state income tax withheld from their pay. State Accounting has performed a test to determine which employees are affected by this new law. Our test indicated we need to gather documentation from 180 employees in 20 different agencies. Those 20 agencies who need to take action in addressing this 3% withholding law will be receiving a memo from State Accounting later this week. That memo will contain the mechanics of the test and the next steps required for the 20 agencies.

Agencies who will receive this memo are:

- Aeronautics
- Administrative Services
- Auditor of Public Accounts
- Banking
- Blind and Visually Impaired
- Corrections
- Education
- Environmental Quality
- ETV
- Game and Parks
- Health and Human Services
- Insurance
- Labor
- Legislature
- Revenue
- Roads
- State Colleges
- State Patrol
- Supreme Court
- Veterans Affairs
