Please forward to all employees

Dear State Employees,

October was State of Nebraska Employee Recognition Month. During this month, I had the opportunity to recognize and personally thank employees for their years of dedication and outstanding achievements in State Government. I am proud of your dedication to public service. Every day, you and your co-workers, work hard to provide exceptional services and continue our standards of excellence in State Government.

In recognition of your commitment, I am pleased to announce that our Department of Administrative Services – State Personnel Division is partnering with WeSave to provide an employee discount program for State Employees. The Nebraska WeSave Program will launch in early 2010. Along with many national and online vendors, WeSave also collaborates with local Nebraska vendors to provide discounts to a variety of different services and products.

In the next few months, you will be receiving additional information about the Nebraska WeSave Program, including the Nebraska WeSave pre-launch website, ways to suggest local vendors, and how to sign up to participate in this program.

The Employee Discount Program is another way we can personally thank you for your dedication and continued excellence in public service.

Sincerely,

Dave Heineman
Governor
