Audio Conference - Ethics

Today's Date: 4/27/11

State Accounting and AGA Lincoln Chapter will be presenting an audio conference on "The Apprehension of Being Ethical" on Wednesday, May 11, 2011. The audio will be held at the Capitol, Room 1524, from 1:00 – 3:50 p.m. There is no charge for state employees to attend this audio.

### Description:

For this ethics audio conference the speaker will discuss ethics in the workplace and will explain the thinking and understanding elements of ethical behavior. This session will cover ethics in general and will address the apprehension of being ethical in the workplace. While many people know or are familiar with the Federal Code of Ethics, 5CFR2635, the audio conference will address potential consequences of doing the right thing or of questioning certain behaviors. It is the "what should I do?" part of ethics.

The speaker will explain the difference between being ethical and being legal through the use of real-life examples. Other topics will include organizational tone, risk-taking, the need for written policies and the requirement for uniform enforcement.
