Dear Lynda,

On Wednesday, February 16, 2011, there will be an audio conference entitled "The Year in Review: An Ethical Perspective". The presenter will be Marianne Jennings who is a professor of legal and ethical studies at Arizona State University. She has written several books and is a sought-after speaker. Marianne has spoken in person at a past AGA Conference here in Lincoln and we have also been privileged to hear her during an audio conference sponsored by the National and Local AGA Chapter.

The conference will be held from 2:00 - 4:00 p.m. at the Nebraska Department of Roads Auditorium. State employees are invited to attend this conference at no cost, but you must register on the AGA-Lincoln Chapter web site at: <http://www.lincolnneaga.org/ac/02162011/registration.php> . You will find instructions on how to enter the auditorium and where to park on the web site. This presentation has been approved by the Nebraska Board of Public Accountancy for 2 CPE credits.

If you have any questions, please let me know.
