Subject: Questions on the Furlough email

Importance: High

I have received several phone calls with questions about the furlough email sent from the Governor this morning. I am researching the questions and will not be able to get some of the answers until Monday. Please bear with me until then and I will send out a Traffic Cone describing the procedure, pay types, effects on leave balances, holiday pay etc. at that time. If you have a question, please send me an email and I will include the answer in the Traffic Cone for everyone to share.

Thanks for your patience.
