Subject: TRAFFIC CONE #6 - BI-WEEKLY PAYROLL PROCESSING
Date: Friday, May 11, 2012 1:59:15 PM

The extract is complete for those of you who have processed changes in Workday this morning, Please check for the changes and continue with the payroll. There were a couple who did not reset the payroll so changes will not show up until the reset happens. I will work with those individually.

Please remember that the payroll deadline has been moved to 4:30 today to help complete the process. Let me know if there are going to be problems.
