Payroll Schedules

The new payroll schedules for the calendar year 2015 are attached and will be on the web site by the weekend. As in past years, I have included the remaining part of the 2014 schedule along with the 2015 schedule to avoid the clutter. Let me know if you have any questions about the schedules.

For the Bi-Weekly agencies, please note that for 2014 and 2015, the first pay period (B-1) occurs at the end of the calendar year but is not paid out until the first of the following year. Pay periods are calculated according to pay date and not the work week.

As always, let me know if you have questions. Thanks again for all you do.
