Qualifying for Wellness Health Plan – New Hires/New Plan Participant

If you are a new hire or new plan participant enrolling in a State of Nebraska health insurance plan, you can elect the Wellness Health Plan for the 2015-16 plan year by completing the following qualifying steps once your insurance begins:

- Step 1** Register in the [wellNESSoptions](http://www.wellnessoptions.nebraska.gov) website at www.wellnessoptions.nebraska.gov
- Step 2** Complete your on-line health assessment before the end of the month when your coverage begins.

IMPORTANT:

If you or your spouse (if enrolled) elect the Wellness Health Plan and fail to complete the on-line health assessment on the [wellNESSoptions](http://www.wellnessoptions.nebraska.gov) website by the end of the first month of health plan coverage, you will automatically be defaulted to the Regular Plan, retroactive to the date your Wellness Health Plan coverage began. As a result, your premium will increase and your coverage will change.

Follow Your Progress On-line

Track the completion of your progress at www.wellnessoptions.nebraska.gov. After you register and set up your personal settings, you can review your progress on your Rewards tab located in your [wellNESSoptions](http://www.wellnessoptions.nebraska.gov) website account.

No Penalties for Poor Health

The Wellness Health Plan qualification criteria is based on active participation and completion of specific wellness programs, and is not based on your individual health factors, health assessment answers or biometric screening results. This means you will not be penalized for having or reporting poor health behaviors, lifestyle risks or conditions. Federal regulations prohibit a group health plan from discriminating among individuals based on their health status. Because the State of Nebraska does not condition eligibility for the Wellness Health Plan upon a participant's ability to meet a health standard, the program meets the nondiscrimination requirements under the Health Insurance Portability and Accountability Act of 1996 ("HIPAA").

Your health plan is committed to helping you achieve your best health. Incentives for participating in the [wellNESSoptions](http://www.wellnessoptions.nebraska.gov) program are available to all employees. If you think you may be unable to meet a requirement under the [wellNESSoptions](http://www.wellnessoptions.nebraska.gov) program, you may qualify in a different manner. Please contact a Wellness Specialist at 402-471-4110 or 402-471-4703 and we will work with you and with your doctor to find a wellness program that is right for you in light of your health status.

A Culture of Health & Wellness

As a result of our wellness program efforts and outcomes, the State of Nebraska is among the leaders across the country in wellness. The State's wellNEssoptions program has received several prestigious national awards including the 2010 and 2012 Gold Well Workplace by the Wellness Council of America, the Innovations Award from The Council of State Governments, and the coveted 2012 C. Everett Koop National Health Award.

Wellness Champions

Employee Wellness & Benefits partners with Wellness Champions from several agencies across the state to provide feedback and help with promoting and supporting a culture of wellness. There are over 140 volunteers who serve as State of Nebraska Wellness Champions! Wellness Champions encourage their co-workers to adopt healthy behaviors in order to positively impact their quality of life. They are also instrumental in providing input on several Wellness Health Plan design enhancements. If you have a strong desire to help others, model a healthy lifestyle and want to help build a culture of wellness within your work area, speak with a Wellness & Benefits Specialist on the Employee Wellness & Benefits team.

Wellness Wall of Fame Recognition

Periodically, we learn about success stories from participants who have or are taking control of their lives and are making some pretty amazing lifestyle changes resulting in significant health improvements. For many, it is a life changing experience – almost a second outlook on life. The purpose of the Wellness Wall of Fame recognition is to encourage, recognize, educate and create a standard of excellence for promoting healthy lifestyles by encouraging active living and healthy choices that shape the future of a culture of wellness within the State of Nebraska workforce.

Annual Wellness Award Banquet

The State continues to enthusiastically support and promote wellness initiatives for its employees. Each year, the State recognizes individuals and agencies for going above and beyond in promoting and establishing a healthy lifestyle during the Annual Wellness Awards Banquet. The Wall of Fame recipients, State of Nebraska Agency Wellness Champions, and Agency Directors (for those agencies with objective measures of health improvements, high wellness program participation percentage and participation growth) are recognized each year at the banquet.
