

We are going to play “70's & 80's BINGO” to have some fun but more importantly raising money for the State's Campaign Against Hunger!

How it works:

- 👁️** A picture of an item (could be a person, place or thing) from the 70's & 80's will be emailed to all that are playing. If you have the name of the item on your bingo card mark it off. If you don't know the answer, it will be provided with the next clue.
- 🕒** You can join the game at anytime. Previous clues will be on website.
- 🎯** There are 7 ways to win!
