309 Task Force for Building Renewal

No promulgated rules and regulations or public guidance documents.

DAS Human Resources

No promulgated rules and regulations or public guidance documents.

Director of Administrative Services

Title 10 - Department of Administrative Services - Administration Rules & Regulations

Chapter 20 - Rules of Practice and Procedure

- 20-001 - These rules describe the procedures applied by the Department of Administrative Services (DAS) to respond to issues over which the Department authority.
- 20-002 - Contains the definitions related to this chapter
- 20-003 - States the address (outdated) and hours of operation for DAS
- 20-004 - This subsection describes how to file, amend, or withdraw, documents, pleadings, and correspondence with the DAS.
- 20-005 - Describes how an individual can request through a petition that DAS promulgate, amend or repeal any rule or regulation subject to the authority and jurisdiction of DAS. The subsection specifically describes the director's obligations, the hearing procedures and processes, and the notice that must be provided to the petitioner once a decision is made.
- 20-006 - This addresses how a person files a claim with DAS for damage, loss or injury. It discusses the content of the claim, the claimant's right to representation, time limits for filing claims, the claimant's ability to amend the claim, and the claimant's right to a hearing. The subsection explains the administrative procedures for the hearing, including the necessity to maintain a record, and provide the claimant the findings and Order of the Director.

- 20-007 - Describes the DAS Director's authority to conduct an investigation if it is necessary to properly perform the duties of DAS. This subsection allows the Director to order a hearing as a part of the investigation, establishes the rules of evidence and procedure, and provides for notice to witnesses.
- 20-008 - This subsection explains how an interested person files a petition with DAS for a declaratory ruling with respect to the applicability of any rule or statute that is subject to the authority or jurisdiction of DAS, to a person, a property, or a state of facts. The rule also describes the standard for granting a hearing on the petition, provisions for the notice of hearing, procedures for the hearing, the rules of evidence and procedure, the procedure for the Director to issue a ruling, and the petitioner's right to notice of the decision.

Title 12 - Department of Administrative Services, Rules & Regulations Concerning the Approval of Contracts for Personal Services

Chapter 1 - Approval of Contracts for Personal Services

- These rules were adopted pursuant to the provisions of sections 73-301 through 73-306 and describe the Director's approval process for personal service contracts that displace a state employee. The rule describes the requesting agencies obligations and the information the agency must submit to the director. It also discusses the requirement to have a Plan of Assistance for the displaced employee.

Employee Relations

No promulgated rules and regulations or public guidance documents.

Materiel Division

Title 9 - Materiel Division Rules & Regulations

These rules and regulations were adopted pursuant to Materiel Division statutory authority regarding procurement. The rules provide detail on the State Purchasing Bureau Bidder's List, methods of procurement, standard conditions and terms of competitive bid solicitations and offers, awarding of contracts, and the execution of contracts.

Chapter 1 – State Purchasing Bureau Bidders List

- This chapter describes to vendors the instructions on how to be placed on the State Purchasing Bureau Bidders' List. It also provides reasons on which vendors can be removed by State Purchasing from the Bidders List.

Chapter 2 – Method of Procurement

- This chapter describes the four types of procurement methods: Competitive Formal Sealed Bids, Informal Competitive Bids, Contract Procurements and Direct Purchases.

Chapter 3 – Standard Conditions and Terms of Competitive Bid Solicitation and Offer

- This chapter provides terms and conditions and standard processes for the Materiel Division procurement processes.

Chapter 4 – Awarding of Contract

- This chapter provides information to vendors regarding the rules of awarding a contract. This chapter gives information on how the State of Nebraska defines the lowest responsible bidder, method of award, tie bids and preference, bid rejection, grievance, and notifications of awards.

Chapter 5 - Execution of Contract

- This chapter details the rules pertaining to packing, delivery acceptance, performance and default, assignment of purchase order, acts of subcontractors, nondiscrimination, strikes, lockouts or acts of God, and the cancellation of purchase orders.

State Purchasing Bureau Protest/Grievance Procedures

The Standard Protest/Grievance Procedures for Vendors details the procedures and instructions for vendors to protest a commodity or service contract awarded through DAS – Materiel Division – State Purchasing Bureau. Such instructions include deadlines, contact information for where to submit protests/grievances and what to include in any protest/grievance.

State Purchasing Bureau Vendor Manual

The Vendor Manual provides guidance to vendors with basic information regarding how to bid on solicitations for the State of Nebraska. The Manual provides detail on various procurement methods used by State Purchasing Bureau, provides a general overview of the processes for procuring goods and services, and discusses the process for awarding a contract, as well as protests/grievances and Vendor Performance Reports. This document is not an all-inclusive manual.

Vendor Application and Instructions

The Vendor Application and Instructions details for vendors the process and the form necessary for inclusion on the State Purchasing Bureau's Bidders List, along with instruction on how to become a

registered vendor. It also provides instruction on how to change vendor information such as an address change or any additions/deletions in provided commodities.
