	II. RFI Response Procedures; F. Submission of Response	Second Paragraph; Last Sentence: Reviwed from "RFI responses must be.." to "RFI responses should be.."	SPB would like responses to be submitted by the date and time, but this is not a solicitaiion for a contract or one time purchase so we will accept it.	1/29/2016
	II. RFI Response Procedures; D. Written Questions and Answers	Revised first sentence: "... must be submitted in writing to the State Purcahsing Bureau.." to "...should be submitted in writing to the State Purchasing Bureau.."	This is not a solicitation for a contract or one-time purchase; although SPB would prefer responses to be submitted in writing, we will still accept it in a different format.	1/29/2016
	II. RFI Response Procedures; D. Written Questions and Answers	Revised First Paragraph; Second Sentence: "... to 402-471-2089, but must include..." to "... to 402-471-2089, but should include...."	This is a preference, but SPB will still accept without because this is not a soliciation for a contract or one time purchase.	1/29/2016
	Front Page	Deleted PO Box from Address	SPB no longer has a PO Box	1/29/2016

	Front Page	Third Paragraph; "RFI responses must..." changed to "RFI responses should..."	Although we would like responses to be submitted by a specific date and time, we will accept a late RFI response.	1/29/2016
	Last Paragraph; Last Sentence	Deleted "No electronic, e-mail, fax, voice, or telephone information will be accepted."	This is not a solicitation for a contract or one-time purchase, although SPB would prefer a submission mailed, we will not deny a proposal not submitted by mail.	1/29/2016

Boilerplate

Section	Revision	Reason for Revision	Date
Front Page	Last Paragraph; "Sealed RFI Responses must..." changed to "Sealed RFI responses should..."	Although SPB would like responses to be submitted by a specific date and time, SPB will not reject a response because an RFI is not a solicitation for a contract or one time purchase.	1/29/2016
Front Page	Deleted "RFI Response must meet the following requirements to be considered valid. RFI Response will be rejected if not in compliance with these requirements."	We will not mark an RFI response as invalid as it is not a solicitation for a contract.	1/29/2016
II. RFI Response Procedures; F. Submission of Response	Third Paragraph; Removed Fourth Sentence "Rejected late responses will be returned to the bidder unopened, if requested, at a vendor's expense."		

SPB RFP

III. Terms and Conditions	General Description; Paragraph 3 added.	This requires the contract to propose clauses as opposed to the substitution of their document(s) for ours.	1/28/2016
III. Terms and Conditions; Subsection "Mandatory Requirements"	Added "3. Completed Section III;"	Section III (Terms and Conditions) is a requirement by the State that must be submitted by the Vendor so we can ensure they can fulfill the needs of the State.	1/28/2016
II. Procurement Procedures; Subsection "Evaluation of Proposals"	First Sentence originally - "All Responses to this Request for Proposal which fulfill mandatory requirements will be evaluated." Changed to - "All proposals that are responsive to the Request for Proposal will be evaluated"	We do not want to disqualify vendors for not having one of the categories, but we do want to disqualify vendors who offer a bid that does not meet the needs of the State i.e. the vendor refuses to perform an essential task.	1/28/2016
Important Notice Language on Front Page	All previous Important Notice Language has been removed and has been replaced by four new paragraphs.	To add language where contracts are to be posted to State Purchasing Bureau and LB429 websites along with allowing submitted proposals to be published to the State website.	1/28/2016
III. Terms and Conditions; Subsection "Indemnification"	Added 4. Self-Insurance and 5. All Remedies at Law	Added to better define insurance requirements.	1/28/2016
II. Procurement Procedures; Subsection "Submission of Proposals"	Paragraph 2, Sentence 1. "...original of the entire proposal should be submitted" was changed to "...original of the entire proposal must be submitted."	The State of Nebraska requires an original of the proposal therefore must is a more definitive word.	1/28/2016
