

NOTICE TO STATE AGENICES AND OTHER USERS OF THE GRAINGER CONTRACT

The Nebraska Department of Administrative Services, State Purchasing Bureau, has been advised that on June 2, 2015, Grainger was the victim of a cyber-attack. Grainger is working with cyber-security experts and at this point sees no evidence that sensitive customer information was compromised. The State has been told there is no evidence that payment card methods were compromised.

Please see the link to the Grainger website for information about this incident:
