IMPORTANT NOTICE: Pursuant to Neb. Rev. Stat. § 84-602.02, all State contracts in effect as of January 1, 2014, and all contracts entered into thereafter, will be posted to a public website. Beginning July 1, 2014, all contracts will be posted to a public website managed by the Department of Administrative Services.

In addition, all responses to Requests for Proposals will be posted to the Department of Administrative Services public website. The public posting will include figures, illustrations, photographs, charts, or other supplementary material. Proprietary information identified and marked according to state law is exempt from posting. To exempt proprietary information you must submit a written showing that the release of the information would give an advantage to named business competitor(s) and show that the named business competitor(s) will gain a demonstrated advantage by disclosure of information. The mere assertion that information is proprietary is not sufficient. (Attorney General Opinion No. 92068, April 27, 1992) The agency will then determine if the interests served by nondisclosure outweigh any public purpose served by disclosure. Cost proposals will not be considered propriety.

To facilitate such public postings, the State of Nebraska reserves a royalty-free, nonexclusive, and irrevocable right to copy, reproduce, publish, post to a website, or otherwise use any contract or response to this RFP for any purpose, and to authorize others to use the documents. Any individual or entity awarded a contract, or who submits a response to this RFP, specifically waives any copyright or other protection the contract or response to the RFP may have; and, acknowledge that they have the ability and authority to enter into such waiver. This reservation and waiver is a prerequisite for submitting a response to this RFP and award of the contract. Failure to agree to the reservation and waiver of protection will result in the response to the RFP being non-conforming and rejected.

Any entity awarded a contract or submitting a RFP agrees not to sue, file a claim, or make a demand of any kind, and will indemnify, hold, and save harmless the State and its employees, volunteers, agents, and its elected and appointed officials from and against any and all claims, liens, demands, damages, liability, actions, causes of action, losses, judgments, costs, and expenses of every nature, including investigation costs and expenses, settlement costs, and attorney fees and expenses ("the claims"), sustained or asserted against the State, arising out of, resulting from, or attributable to the posting of contracts, RFPs and related documents.

Rejected late proposals will be returned to the bidder unopened, if requested, at bidder's expense. The State is not responsible for proposals that are late or lost due to mail service inadequacies, traffic, or any other reason(s).

J. REJECTION OF PROPOSALS

The State reserves the right to reject any or all proposals, in whole or in part, or to award to multiple bidders in whole or in part. All awards will be made in a manner deemed in the best interest of the State.

K. EVALUATION OF PROPOSALS

All proposals that are responsive to the Request for Proposal will be evaluated. The State will conduct a fair, impartial, and comprehensive evaluation of all proposals in accordance with the criteria set forth below. The State may elect to use a third-party to conduct credit checks as part of the corporate overview evaluation. Areas that will be addressed and scored during the evaluation include:

1. Corporate Overview shall include but is not limited to:
 - a. the ability, capacity, and skill of the bidder to deliver and implement the system or project that meets the requirements of the Request for Proposal;
 - b. the character, integrity, reputation, judgment, experience, and efficiency of the bidder;
 - c. whether the bidder can perform the contract within the specified time frame;

Neb. Rev. Stat. § 73-107 allows for a preference for a resident disabled veteran or business located in a designated enterprise zone. When a state contract is to be awarded to the lowest responsible bidder, a resident disabled veteran or a business located in a designated enterprise zone under the Enterprise Zone Act shall be allowed a preference over any other resident or nonresident bidder, if all other factors are equal.

Resident disabled veterans means any person (a) who resides in the State of Nebraska, who served in the United States Armed Forces, including any reserve component or the National Guard, who was discharged or otherwise separated with a characterization of honorable or general (under honorable conditions), and who possesses a disability rating letter issued by the United States Department of Veterans Affairs establishing a service-connected disability or a disability determination from the United States Department of Defense and (b)(i) who owns and controls a business or, in the case of a publicly owned business, more than fifty percent of the stock is owned by one or more persons described in subdivision (a) of this subsection and (ii) the management and daily business operations of the business are controlled by one or more persons described in subdivision (a) of this subsection. Any contract entered into without compliance with this section shall be null and void.

Therefore, if a resident disabled veteran or business located in a designated enterprise zone submits a bid in accordance with Neb. Rev. Stat. §73-107 and has so indicated on the RFP cover page under "Bidder must

complete the following” requesting priority/preference to be considered in the award of this contract, the following will need to be submitted by the vendor within ten (10) business days of request:

1. Documentation from the United States Armed Forces confirming service;
2. Documentation of discharge or otherwise separated characterization of honorable or general (under honorable conditions);
3. Disability rating letter issued by the United States Department of Veterans Affairs establishing a service-connected disability or a disability determination from the United States Department of Defense; and
4. Documentation which shows ownership and control of a business or, in the case of a publicly owned business, more than fifty percent of the stock is owned by one or more persons described in subdivision (a) of this subsection; and the management and daily business operations of the business are controlled by one or more persons described in subdivision (a) of this subsection.

Failure to submit the requested documentation within ten (10) business days of notice will disqualify the bidder from consideration of the preference.

Evaluation criteria weighting will be released with the Request for Proposal. Evaluation criteria weighting and a list of respondents will be posted to the Internet at: <http://das.nebraska.gov/materiel/purchasing.html>.

Any contact, or attempted contact, with an evaluator that is involved with this RFP may result in the rejection of this proposal and further administrative actions may be taken.

M. MANDATORY REQUIREMENTS

The proposals will first be examined to determine if all mandatory requirements listed below have been addressed to warrant further evaluation. Proposals not meeting mandatory requirements will be excluded from further evaluation. The mandatory requirement items are as follows:

The State may use a third-party to conduct reference checks

Information to be requested and evaluated from references may include, but is not limited to, some or all of the following: financial stability of the company, project description and background, job performed, functional and technical abilities, communication skills and timeliness, cost and schedule estimates and accuracy, problems (poor quality deliverables, contract disputes, work stoppages, et cetera), overall performance, and whether or not the reference would rehire the firm or individual. Only top scoring bidders may receive reference checks and negative references may eliminate bidders from consideration for award.

Whenever the Contractor encounters any difficulty which is delaying or threatens to delay its timely performance under the contract, the Contractor shall immediately give notice thereof in writing to the State reciting all relevant information with respect thereto. Such notice shall not in any way constitute a basis for an extension of the delivery schedule or be construed as a waiver by the State of any of its rights or remedies to which it is entitled by law or equity or pursuant to the provisions of the contract. Failure to give such notice, however, may be grounds for denial of any request for an extension of the delivery schedule because of such delay.

Either party may change its address for notification purposes by giving notice of the change, and setting forth the new address and an effective date.

For the duration of the contract, all communication between Contractor and the State regarding the contract shall take place between the Contractor and individuals specified by the State in writing. Communication about the contract between Contractor and individuals not designated as points of contact by the State is strictly forbidden.

The State will give the Contractor written notice thirty (30) calendar days prior to the effective date of any termination, and advise the Contractor of the location (address and room number) of any related equipment. Said notice shall be delivered by Certified Mail, Return Receipt Requested, or in person with proof of delivery. Allowing the Contractor time to cure a failure or breach of contract does not waive the State's right to immediately terminate the contract for the same or different contract breach which may occur at a different time. It is the intent of the State that the process of evaluation of proposals and award of the contract be completed without external influence. It is not the intent of this section to prohibit bidders from seeking professional advice, for example consulting legal counsel, regarding terms and conditions of this Request for Proposal or the format or content of their proposal.

IV. PROJECT DESCRIPTION AND SCOPE OF WORK

The bidder must provide the following information in response to this Request for Proposal.

A. PROJECT OVERVIEW

The State of Nebraska, Nebraska Real Estate Commission is issuing this Request for Proposal, RFP Number 2016-1, for the purpose of selecting a qualified contractor to provide Errors and Omissions Insurance to Nebraska Real Estate Licensees. The State is interested in purchasing, on behalf of all active, resident and non-resident, real estate licensees in Nebraska, guaranteed cost coverage that will provide claims handling, investigation, computerized loss records, management information, setting of reserves, and a method of claims payment. The annual premium shall not exceed \$500.00 per licensee.

The Errors and Omissions policies are written on a one calendar year policy basis. Partial year policies are also provided to licensees on a pro-rated basis.

The State of Nebraska had approximately 6,262 active licensees as of March 22, 2016, to be covered under errors and omissions insurance for all acts which require a license under the Nebraska Real Estate License Act, other statutes administered by the Commission regulating real estate licensees and Rules and Regulations of the Commission promulgated thereunder. The total number of licensees was approximately 6,838 as of March 22, 2016.

Any license can become active or inactive at any time upon request to the Commission and fulfillment of certain requirements. Individuals may become licensed throughout the year after passing an examination and meeting licensing requirements. All licensees who become licensed as active licensees or who transfer from inactive to active status shall be covered with the effective date of the license issuance or transfer of license.

If at any time the cost of coverage exceeds \$500.00, as required by statute (copy appended), or the amount set forth in said statute, if amended, the State shall have the right to terminate the contract without penalty by giving 30 days notice and documentation.

The chosen vendor will be responsible for administering the plan, including the collection and deposit of premiums and verification of coverage with the Commission.

The specific requirements for the Errors and Omissions policy are found in Neb. Rev. Stat. §§81-885 through 81-885.55, including specific requirements found at Neb. Rev. Stat. §81-85.55, and Nebraska Administrative Code (Title 299 NAC Chapter 8) (these requirements are included as part of this RFP as Attachment A, Appendix 1 & 2), as well as throughout this RFP.
