Following are the questions submitted and answers provided for the above mentioned Request For Proposal. The questions and answers are to be considered as part of the Request For Proposal.

QUESTIONS	ANSWERS
1. Please clarify the following with respect to Attachment 1: Service Locations and Price Sheet: Whitehall Campus: "Misc. Totes": Are all in one location? Quantity? 15 year roll off: Permanent or as-needed basis? Frequency of hauls? Does current monthly weight include roll-off volumes?	Totes are dumped by the cleaning company into one main eight yard top loading dumpster. Current monthly weight does not include roll-off volume. roll-off empty frequency is seasonal due to dead branches and leaves etc. Summer loads are mainly construction debris. State may occasionally request another dumpster for large projects, but that is not very frequent. Please see Revised Attachment 1 for revised quantity/size. The "Revised Attachment 1" replaces "Attachment 1" and must be used for submitting the bid prices.
