

ADDENDUM ONE

Date: July 15, 2014

To: All Bidders

From: Teresa Fleming, Buyer
State Purchasing Bureau

RE: Addendum for ITB 4746 OF

Original Opening Date and Time: July 22, 2014 at 2:00 p.m.

Following are the questions submitted and answers provided for the above mentioned Invitation to Bid. The questions and answers are to be considered as part of the Invitation to Bid.

QUESTIONS	ANSWERS
<p>1. Is this agency only willing to look at a Bobcat? Is there a reason for this? I thought the point of this process was for there to be competitive bids from different manufacturer's in order to more efficiently use state funds. i.e. "3. BOBCAT COMPACT TRACK LOADER A. Bobcat Compact Track Loader (equipped with iT4 engine) Part Number M0185</p>	<p>The agency has requested restriction of ITB 4746 OF to the stated make and model due to their very specific current business needs. However, please see current ITB 4747 OF for an opportunity to provide a bid response on a non-restricted Vertical Lift Compact Loader.</p>
<p>2. If another manufacturer can offer the same options but it is not called an A71 package is this acceptable? If the Quick Thatch is called a Quick Tatch not a Bob-Tach is this acceptable? i.e. A71 Option Package Part M0185-P01-A71 which includes Enclosed Cab with AC/Heat, Cab Accessories Package, Power Bob-Tach, Sound Reduction, Deluxe Instrument Panel with Keyless Start and Attachment Control Kit.</p>	<p>If part(s) specifications, capabilities, quality, and compatibilities are identical, the substitution will be considered. Bidder must provide supporting information. Option package bid must be Bobcat manufacture.</p>

QUESTIONS	ANSWERS
3. If another manufacturer can offer the same options but it is not the same part number is this acceptable? i.e. A. Two Speed, Engine Block Heater Part Number M0185-P03-F20.	If part(s) specifications, capabilities, quality, and compatibilities are identical to requested parts, the substitution will be considered. Bidder must provide supporting information. Option package bid must be Bobcat manufacture.

This addendum will become part of the bid and should be acknowledged with the ITB.
