RE: Addendum for Invitation to Bid 4749 OF
Original Opening Date and Time: July 24, 2014 at 2:00 p.m.

Following are the questions submitted and answers provided for the above mentioned Invitation to Bid. The questions and answers are to be considered as part of the Invitation to Bid.

QUESTIONS	ANSWERS
1. In the delivery description it states "truckload" what type of truck or quantity is it referring to? To be exact if we have a minimum & maximum of 23 tons per end dump to deliver to a shop and don't have a tandem (14 tons) available should we opt out of the bid	The truck or quantity NDOR is referring to is not for a tandem. The intention is for loads of 20 to 30 tons, and so either a large truck or truck and pup combos are what NDOR would order quantities for, not a 14 ton type of load order.

This addendum will become part of the bid and should be acknowledged with the ITB.
