RE: RFP Number 4759Z1
to be opened September 16, 2014

Following are the questions submitted and answers provided for the above mentioned Request For Proposal. The questions and answers are to be considered as part of the Request For Proposal.

QUESTIONS	ANSWERS
<p>1. For those vendors who submitted their proposals based on the original due date, will the State of Nebraska allow them to submit Addendum Two, Schedule of Events (September 9, 2014) separately or does the State request that all vendors resubmit their proposal in entirety with the Addendum 2 attached? Please clarify the expectation for acknowledging the Addendum as a qualifying requirement or re-submitting based on the following statement on the Addendum: "This addendum will become part of the proposal and should be acknowledged with the RFP."</p> <p>Will formal instructions in the form off an additional Addendum be provided to all vendors based on how to submit Addendum 2 based on the change in due date. Also, the RFP 4759Z1, Section III.A. Awards states: "If, in the opinion of the State, revisions or amendments will require substantive changes in proposals, the due date may be extended." Could the State please provide what those "substantial changes" with the RFP 4759Z1 if any are?</p>	<p>"This addendum will become part of the proposal and should be acknowledged with the RFP."</p> <p>Vendors who have submitted their proposal response may submit a separate envelope acknowledging Addendum 2.</p> <p>An additional addendum will not be posted as the RFP did not change; only the opening date.</p>

This addendum will become part of the proposal and should be acknowledged with the RFP.
