The contract resulting from the Invitation to Bid shall incorporate the following documents:

1. Amendment to Contract Award with the most recent dated amendment having the highest priority;
2. Contract Award and any attached Addenda;
3. The signed Invitation to Bid form and the Contractor's bid response;
4. Amendments to ITB and any Questions and Answers; and
5. The original ITB document and any Addenda.

These documents constitute the entirety of the contract.

Unless otherwise specifically stated in a contract amendment, in case of any conflict between the incorporated documents, the documents shall govern in the following order of preference with number one (1) receiving preference over all other documents and with each lower numbered document having preference over any higher numbered document: 1) Amendment to Contract Award with the most recent dated amendment having the highest priority, 2) Contract Award and any attached Addenda, 3) the signed Invitation to Bid form and the Contractor's bid response, 4) Amendments to ITB and any Questions and Answers, 5) the original ITB document and any Addenda.

Any ambiguity in any provision of this contract which shall be discovered after its execution shall be resolved in accordance with the rules of contract interpretation as established in the State of Nebraska.

Once Invitations to Bid are opened they become the property of the State of Nebraska and will not be returned.

It is understood by the parties that in the State of Nebraska's opinion, any limitation on the contractor's liability is unconstitutional under the Nebraska State Constitution, Article XIII, Section III and that any limitation of liability shall not be binding on the State of Nebraska despite inclusion of such language in documents supplied by the contractor's bid response. State Statute §73-107 allows for a preference for a resident disabled veteran or business located in a designated enterprise zone. When a state contract is to be awarded to the lowest responsible bidder, a resident disabled veteran or a business located in a designated enterprise zone under the Enterprise Zone Act shall be allowed a preference over any other resident or nonresident bidder, if all other factors are equal.

Resident disabled veterans means any person (a) who resides in the State of Nebraska, who served in the United States Armed Forces, including any reserve component or the National Guard, who was discharged or otherwise separated with a characterization of honorable or general (under honorable conditions), and who possesses a disability rating letter issued by the United States Department of Veterans Affairs establishing a service-connected disability or a disability determination from the United States Department of Defense and (b)(i) who owns and controls a business or, in the case of a publicly owned business, more than fifty percent of the stock is owned by one or more persons described in subdivision (a) of this subsection and (ii) the management and daily business operations of the business are controlled by one or more persons described in subdivision (a) of this subsection. Any contract entered into without compliance with this section shall be null and void.

Therefore, if a resident disabled veteran or business located in a designated enterprise zone submits a bid in accordance with Neb. Rev. Stat. §73-107 and has checked "yes" requesting priority/preference to be considered in the award of this contract, the following will need to be submitted by the vendor within 10 business days of request:

- a. Documentation from the United States Armed Forces confirming service,
- b. Documentation of discharge or otherwise separated characterization of honorable or general (under honorable conditions),
- c. Disability rating letter issued by the United States Department of Veterans Affairs establishing a service-connected disability or a disability determination from the United States Department of Defense; and
- d. Documentation which shows ownership and control of a business or, in the case of a publicly owned business, more than fifty percent of the stock is owned by one or more persons described in subdivision (a) of this subsection; and the management and daily business operations of the business are controlled by one or more persons described in subdivision (a) of this subsection.

Failure to submit the requested documentation within 10 business days of notice will disqualify the bidder from consideration of the preference.

## STANDARD CONDITIONS AND TERMS OF BID SOLICITATION AND OFFER Invitations to Bid and Contract Awards

It is the responsibility of the bidder to check the website for all information relevant to this solicitation to include addenda and/or amendments issued prior to the opening date. Website address: <http://www.das.state.ne.us/materiel/purchasing/purchasing.htm>

**SCOPE-** These standard conditions and terms of bid solicitation and acceptance apply in like force to this inquiry and to any subsequent contract resulting therefrom.

**PRICES-** Prices quoted shall be net, including transportation and delivery charges fully prepaid by the bidder, F.O.B. destination named in the Invitation to Bid. No additional charges will be allowed for packing, packages or partial delivery costs. When an arithmetic error has been made in the extended total, the unit price will govern.

**EXECUTION-** Bids must be signed in ink by the bidder on the State of Nebraska's Invitation to Bid form. All bids must be typewritten or in ink on the State of Nebraska's Invitation to Bid form. Erasures and alterations must be initialed by the bidder in ink. No telephone or voice bids will be accepted. Failure to comply with these provisions may result in the rejection of the bid.

**FACSIMILE DOCUMENTS-** The State Purchasing Bureau will only accept facsimile responses to Invitations to Bid on bids under \$25,000 and up to ten (10) pages. However, two party sealed bids containing facsimile pages are acceptable. No direct facsimile solicitation responses will be accepted for a commodity contract.

**VALID BID TIME-** Bids shall be firm for a minimum of sixty (60) calendar days after the opening date, unless otherwise stipulated by either party in the Invitation to Bid.

**DISCOUNTS-** Prices quoted shall be inclusive of ALL trade discounts. Cash discount terms of less than thirty (30) days will not be considered as part of the bid. Cash discount periods will be computed from the date of receipt of a properly executed claim voucher or the date of completion of delivery of all items in a satisfactory condition, whichever is later.

**PAYMENT-** Payment will be made by the responsible agency in conjunction with the State of Nebraska Prompt Payment Act 81-2401 through 2408. The State may request that payment be made electronically instead of by state warrant.

**COLLUSIVE BIDDING-** The bidder guarantees that the prices quoted have been arrived at without collusion with other eligible bidders and without effort to preclude the State of Nebraska from obtaining the lowest possible competitive price.

**LUMP SUM OR ALL OR NONE BIDS-** The State reserves the right to purchase item-by-item, by groups or as a total when the State may benefit by so doing. Bidders may submit a bid on an "all or none" or "lump sum" basis but should also submit a bid on an item-by-item basis. The term "all or none" means a conditional bid which requires the purchase of all items on which bids are offered and bidder declines to accept award on individual items; a "lump sum" bid is one in which the bidder offers a lower price than the sum of the individual bids if all items are purchased but agrees to deliver individual items at the prices quoted.

**SPECIFICATIONS-** Any manufacturer's names, trade names, brand names, information and/or catalog numbers listed in a specification are for reference and not intended to limit competition, but will be used as the standard by which equivalent material offered will be judged. The State Purchasing Director will be the sole judge of equivalency. The bidder may offer any brand which meets or exceeds the specification. When a specific product is required, the Invitation to Bid will so state. Any item bid is to be the latest current model under standard production at the time of order. No used or refurbished equipment will be accepted, unless otherwise stated.

**ALTERNATE/EQUIVALENT BIDS-** Bidder may offer bids which are at variance from the express specifications of the Invitation to Bid. The State reserves the right to consider and accept such bids if, in the judgement of the State Purchasing Director, the bid will result in goods and/or services equivalent to or better than those which would be supplied in the original bid specifications. Bidders must indicate on the Invitation to Bid the manufacturer's name, number and shall submit with their bid, sketches, descriptive literature and/or complete specifications. Reference to literature submitted with a previous bid will not satisfy this provision. Bids which do not comply with these requirements are subject to rejection. In the absence of any stated deviation or exception, the bid will be accepted as in strict compliance with all terms, conditions and specifications, and the bidder shall be held liable therefore.

**SAMPLES-** When requested, samples shall be furnished at the bidders expense prior to the opening of the bid, unless otherwise specified. Each sample must be labeled clearly and identify the bidders name, the Invitation to Bid number and the item number. Samples submitted must be representative of the commodities or equipment which would be delivered if awarded the bid. The State of Nebraska reserves the right to request samples even though this may not have been set forth in the Invitation to Bid. Samples not destroyed in testing will be returned at bidders expense, if requested, or will be donated to a public institution.

**RECYCLING-** Preference will be given to items which are manufactured or produced from recycled material or which can be readily reused or recycled after their normal use as per State Statute Section 81-15,159.

**LATE BIDS-** All bids will be time and date stamped upon receipt by the State Purchasing Bureau, and this shall be the official time and date of receipt. Bids received after the time of the bid opening will be considered late bids and will be returned to the bidder unopened. The State Purchasing Bureau is not responsible for late bids or lost requests due to mail service inadequacies, traffic or other similar reasons.

**BID OPENING-** Openings shall be public on the date and time specified on the Invitation to Bid form. It is the bidder's responsibility to assure the bid is delivered at the designated date, time and place of the bid opening. Telephone bids are not acceptable. A bid may not be altered after opening of the bids.

**NO BID-** If not submitting a bid, respond by returning the Invitation to Bid form explaining the reason in the space provided. Failure to respond to an Invitation to Bid may be cause for the removal of the bidder's name from the mailing list. NOTE: To qualify as a respondent, bidder must submit a "NO BID" and it must be received no later than the stated bid opening date and time.

**AWARD-** All purchases, leases, or contracts which are based on competitive bids will be awarded to the lowest responsible bidder, determined according to the provisions of State Statute Section 81-161, R.R.S. 1943. The State reserves the right to reject any or all bids, wholly or in part and to waive any deviations or errors that are not material, do not invalidate the legitimacy of the bid and do not improve the bidders competitive position. All awards will be made in a manner deemed in the best interest of the State.

**BID TABULATIONS-** Tabulations will be furnished upon written request. A self-addressed, stamped envelope which must include the agency and solicitation number must be enclosed. Bid tabulations will not be provided by telephone or facsimile. Bid files may be examined during normal working hours by appointment. Bid tabulations are available on the website at: <http://www.das.state.ne.us/materiel/purchasing/bidtabs.htm>

**PERFORMANCE AND DEFAULT-** The State reserves the right to require a performance bond from the successful bidder, as provided by law, without expense to the State. Otherwise, in case of default of the contractor, the State may procure the articles from other sources and hold the contractor responsible for any excess cost occasioned thereby.

**IN-STATE PREFERENCE-** A resident bidder shall be allowed a preference against a nonresident from a state which gives or requires a preference to bidders from that state. The preference shall be equal to the preference given or required by the state of the nonresident bidders. Where the lowest responsible bid from a resident bidder is equal in all respects to one from a nonresident bidder from a state which has no preference law, the resident bidder shall be awarded the contract.

**NONDISCRIMINATION-** The Nebraska Fair Employment Practice Act prohibits contractors of the State of Nebraska, and their subcontractors, from discriminating against any employee or applicant for employment, to be employed in the performance of such contracts, with respect to hire, tenure, terms, conditions or privileges of employment because of race, color, religion, sex, disability, or national origin. (State Statute Sections 48-1101 through 48-1125) The bidder guarantees compliance with the Nebraska Fair Employment Practice Act, and breach of this provision shall be regarded as a material breach of contract. The contractor shall insert a similar provision in all subcontracts for services to be covered by any contract resulting from this Invitation to Bid.

**TAXES-** Purchases made by the State of Nebraska are exempt from the payment of Federal Excise Taxes, and exemption certificates will be furnished on request. State and local taxes are exempt by State Statute Section 77-2704 (l) (m) R.R.S. 1943 and must not be included in the bid prices. Exemption by statute precludes the furnishing of State exemption certificates.

**DRUG POLICY -** Bidder certifies that it maintains a drug free work place environment to ensure worker safety and workplace integrity. Contractor agrees to provide a copy of its drug free workplace policy at any time upon request by the State.

**GRIEVANCE AND PROTEST-** Grievance and protest procedure is available by contacting the buyer. Protest must be filed within ten (10) days of award.

**NE ACCESS TECHNOLOGY STANDARDS-** Vendor agrees to ensure compliance with Nebraska Access Technology Standards. See website at: <http://www.nitc.state.ne.us/standards/accessibility/>

Failure to submit requested descriptive literature or advertising data sheets may be grounds to reject the bid.

### ANNUAL USAGE

Annual usage figures provided are estimates and are not to be construed as either a minimum or maximum purchase quantity. The orders shall be for the actual quantities of each item ordered by or for any agency during the life of the contract. Vendor shall not impose minimum order requirements.

Approximately 70 Nebraska families (i.e., 75 individuals) are currently eligible for this program. This figure is subject to change. Approximate annual dollars spent on these products range from \$60,000 to \$73,000 per year, based on past history.

The Agency will notify Contractor(s) promptly of changes, additions or deletions to the list of eligible Nebraska individuals.

### DEPARTMENT OF HEALTH & HUMAN SERVICES (DHHS) SPECIALLY MANUFACTURED LOW PROTEIN METABOLIC FOODS PROGRAM

The contract shall provide a means for eligible Nebraska individuals to order without having to prepay, from a list of specially manufactured low protein metabolic foods pre-approved by the DHHS Newborn Screening and Genetics Program (NBS Program) dietician, available for distribution to Nebraska eligible individuals. Eligible individuals will be able to order via web page or other electronic means, phone or mail-in orders. The program will only pay for orders for individuals on the eligible list and only up to \$2000 per individual per State fiscal year (July 1 through June 30). Should multiple contractors be awarded a contract under this invitation to bid, payment for individual orders will be made on a first come, first served basis.

The contractor will notify the DHHS NBS program within 24 hours of each individual placing an order, to obtain a Purchase Order number from the Program. The Purchase Order number must be included on the invoice and accompanied by written verification of shipment and delivery via manifest or other shipping company documentation.

The BAA must provide that the business associate will not use or disclose PHI other than as provided by the contract, will ensure that any agents to whom it provides PHI agree to the same terms and restrictions, will report any inappropriate use or disclosure to the covered entity, and will make its internal records and practices available to HHSS. This contract may be awarded item-by-item, group of items, or total, to best serve the interest of the State of Nebraska. The State of Nebraska will be the sole judge of equivalence and any decision will be final. All awards will be made in a manner deemed in the best interest of the State.

The State reserves the right to reject any or all bids, wholly or in part and to waive any deviations or errors that are not material, do not invalidate the legitimacy of the bid and do not improve the bidder's competitive position. All awards will be made in a manner deemed in the best interest of the State, which may include multiple contract awards.

## **SECRETARY OF STATE**

This must be accomplished prior to the award of the contract or purchase order. Further, all bidders shall comply with any and all other applicable Nebraska statutes regarding transacting business in the State of Nebraska. In order to expedite the award process, bidders are encouraged to submit their valid Certificate of Good Standing or Letter of Good Standing with their bid.

The State of Nebraska may, at its discretion, contract for provision of the goods or services required to complete this Contract and hold the Contractor liable for all expenses incurred in such additional contract over and above the total cost of performance. This provision shall not preclude the pursuit of other remedies for breach of contract as allowed by law.

## **CORE and CATALOG**

### **CORE and NON-CORE LISTS**

**Product Definition: Specially manufactured low protein metabolic foods:** are medical foods used by children and adults with inborn errors in metabolism. They are products that resemble natural food, but which have been either chemically synthesized, manipulated or processed from natural food to emulate high-protein foods. These products are generally limited in availability and not available in retail stores, but are obtained by special order from the manufacturer or low protein food products distributor. Pharmaceutically manufactured foods include special grain, dairy, and meat alternatives and other products used in cooking or baking such as broths. These foods have generally been formulated to have less than one gram of protein per serving. Inclusion of foods proposed in bids will be evaluated by the Department of Health and Human Services' contracted dietitian to determine if they meet the criteria.

Foods that will not be covered under any contract as a result of this invitation to bid include; foods that are naturally low in protein that did not require special manufacturing or processing to achieve the low-protein content; items identified as metabolic formula in liquid, powdered, tablet or bar form; any item that is not low protein; any item that is readily available at retailers; non-nutritional items such as cookbooks, tortilla makers, and exchange lists to assist with food preparation are also prohibited. **This contract is not intended to replace regular produce and products generally available in the marketplace for general consumption.**

The Core List and Non-Core List (Catalog) foods may contain specially manufactured low protein metabolic foods items (low protein modified pastas & rice, breads, cereal, meat, dairy and egg product substitutes, sauces, soups and heat & serve, cooking additives such as guar to aid in texture or consistency, desserts, snacks and frozen goods) and will represent those products which the State wishes to establish as standard items based upon their value to the State in terms of quality and price. The Non-Core List shall be subject to a greater across the board discount than the Core Item List (Catalog). The State will not accept substitutions on the products listed on the Core List.

The State of Nebraska intends to enter into a Contract(s) for specially manufactured low protein metabolic foods for eligible Nebraskans. The contract(s) will consist of a list of up to 20 common use items identified as a Core List and additional items identified as a Non-Core List (Catalog). Non-Core List (Catalog) items shall be represented by a catalog or current manufacturer price list(s) containing additional items not called out in the bidder's Core List as shown in **Attachment A, 4780 OF Core List.**

**Each bidder must propose a list of not to exceed 20 Core items that shall include a selection of only specially manufactured bread mix, bread, cereal, pasta or rice products.**

The Core List identifies the most commonly purchased items but is not a complete list of items purchased by the State, nor does it guarantee future purchase of these products. The State reserves the right to add or remove items from the Core Item list based on usage.

Non-Core List (Catalog) items are defined as those additional items available from the vendor via their retail catalog list that are not listed as part of the Core List. Prices for Non-Core List (Catalog) items shall be determined by applying the quoted discount for the item(s)/category to the manufacturer's current catalog or manufacturer price list(s). The discount percentage for the Non-Core List (Catalog) items shall remain firm for the duration of the contract period.

**All items not included on the Core List shall be considered Non-Core List (Catalog).**

The Non-Core List (Catalog) items may be modified without a contract amendment to add new items, modify packaging quantity or volume, delete items and adjust pricing to account for market influences on production and distribution of the specially manufactured low protein metabolic foods, but will have the discount percentage applied to all products. The Catalog list cannot include the prohibited blocked products as described below:

At the request of the State Purchasing Bureau, the vendor shall block availability on certain non-core items as identified by the Department of Health and Human Services. **The blocked non-core items are any items offered that: are naturally occurring with low-protein content that did not require special manufacturing or processing to achieve the low-protein content; metabolic formula in liquid, powdered, tablet or bar form; any item that is not low protein; any item that is readily available at retailers; non-nutritional items such as cookbooks, tortilla makers, and exchange lists to assist with food preparation are also prohibited. This contract is not intended to replace regular produce and products generally available in the marketplace for general consumption.**

## 1. PRICE

Core List prices quoted shall be net, including transportation and delivery charges fully prepaid by the vendor, FOB Destination to the ordering individual. The Bidder-Identified Core List pricing is to remain firm for the initial one year period of the contract. Any request for increase must be submitted in writing to the State Purchasing Bureau a minimum of thirty (30) days prior to proposed effective date of increase and be accompanied by all supporting documentation such as a notification letter from the manufacturer indicating the percentage of increase or invoices demonstrating the increased cost to manufacture the product. The supporting information must clearly establish the increase is for all customers, not to the State of Nebraska alone. Further documentation may be required by the State, to authenticate the increase (such as manufacturer invoices). Failure to supply any requested supporting documentation may be grounds to cancel the contract. The Core List is not subject to the discount pricing required for the Non-Core List (Catalog) products, but will consist of net, fixed pricing.

Non-Core List (Catalog) purchases shall be net, including transportation and delivery charges fully prepaid by the vendor, FOB Destination to the ordering individual.. Discount percentage bid off of manufacturer's suggested list price shall remain fixed for the duration of the contract. During the life of the contract, there may be new manufacturer's list price schedules published. In the event this occurs, it will be necessary for the contractor to supply the State Purchasing Bureau and any requesting agencies with one (1) copy of each as applicable. New catalog and/or price list(s) will be incorporated into the contract thirty (30) days after receipt by the State Purchasing Bureau.

Discounts for Non-Core List (Catalog) items shall be applied to products as presented in **Attachment B 4780 OF, Non-Core List (Catalog)**. Bidder shall include each manufacturer's list price schedule to coincide with manufacturers listed in **Attachment B** discount schedule.

Prices quoted for products on the Core and Non-Core Lists (Catalog) shall be inclusive of all costs, to include but not limited to storage, processing and/or delivery throughout the State of Nebraska. Contractor cannot impose any additional service fees. Contractor shall inform the State Purchasing Bureau in the event of any unanticipated action affecting pricing or contract performance.

NO price increases to the core list are to be billed to the State of Nebraska without prior written approval by the State Purchasing Bureau. NO price increases to the catalog list are to be billed to the State of Nebraska without prior written notice to the State Purchasing Bureau.

The State further reserves the right to reject any proposed price increase(s), cancel the contract and re-bid if determined in the best interest of the State.

It is understood and agreed that in the event of a reduction in the manufacturer's published standard price list for all or any portion of the proposed items, the State of Nebraska will be given full benefit of such decline in price immediately, including any promotional allowances offered to the balance of the trade during the contract period.

## 2. CORE LIST PRICING – SELF-IDENTIFIED BY EACH BIDDER

Any quantities stated are estimated annual quantities and shall not be construed to be either a minimum or a maximum. Bidder must complete **Attachment A 4780 OF, Core List**. Please pay special attention to the unit of measure.

## 3. CATALOG LIST PRICING

Prices for Non-Core List (Catalog) items shall be determined by applying the quoted discount for the item to the manufacturer's current catalog or price list. The percentage discount for the items shall remain firm for the duration of the contract period. Bidder must clearly state the date of the catalog or price list used and provide a copy of the catalog to the State Purchasing Bureau upon request.

The pricing structure, consisting of all pricing formulas and pertinent information, for all non-core items must be clearly defined and documented for future auditing purposes.

The percentage discount rate for Non-Core (Catalog) List items or categories will not decrease during the life of the contract.

A firm percentage rate must be quoted--a range of percentages will not be considered.

#### **4. PRICE LISTS AND CATALOGS**

After award of the contract(s), the vendor(s) shall supply additional copies of the current catalog or price list used for this Invitation to Bid for distribution to any requesting state agency at no charge, within ten (10) days of request. Additional catalogs and/or price lists may be required and shall be provided without charge. Any catalog or price list revisions which occur during the duration of the contract shall be provided upon request without charge.

#### **USAGE REPORTS**

Usage reports may be requested by the State Purchasing Bureau. The reporting period may be determined (monthly, quarterly, etc.) based on need.

1. Fill rate information for core and non-core (catalog) items, under this contract to include the number of orders received, orders processed, and partially filled orders.
2. Usage reports under this contract indicating the numbers of each catalog item sold.
3. Any additional report the State Purchasing Bureau may deem necessary.

#### **SUBSTITUTION – CORE LIST**

Vendor will not substitute any Core List item that has been awarded without prior approval of State Purchasing Bureau.

#### **REVISIONS – CORE LIST**

In the event any product is discontinued or replaced with a newer version during the contract period, the State of Nebraska reserves the right to amend this contract to include the new product.

#### **QUALITY**

Product quality must meet specifications and be consistent for the term of the contract. A guarantee of satisfactory performance by the supplier and meeting delivery dates are considered to be an integral part of the purchase contract resulting from this bid invitation. All materials must be of first quality, under standard production by the manufacturer and be of standard design, complete as regularly advertised and marketed and be of proven performance. Products are to be fully guaranteed and may be returned for full credit or replacement (at the State's option) for any reason during the initial warranty period with no additional charges for shipping or restocking.

#### **DELIVERY**

Delivery desired within ten (10) days after receipt of order. In order to comply with the 10 day delivery expectation, no out of stock items, or items considered on back-order may be included on any order. Only in-stock items may be included.

Delivery shall be direct to the eligible Nebraska individuals for whom the orders are placed.

#### **ORDERS**

Orders will be placed either by, phone, fax, e-mail or Internet (if available and not to the exclusion of the other methods).

The contractor will notify the DHHS NBS program within 24 hours of each individual placing an order, to obtain a purchase order number from the Program. The Purchase order number must be included on the invoice and accompanied by written verification of shipment and delivery via manifest or other shipping company documentation.

**PACKAGING**

Cartons must be of suitable size and of sufficient strength to protect the contents during shipping, handling and storage.

Payment will be made by the responsible agency in compliance with the State of Nebraska Prompt Payment Act (See Neb. Rev. Stat. §81-2401 through 81-2408). The State may require the contractor to accept payment by electronic means such as ACH deposit. In no event shall the State be responsible or liable to pay for any services provided by the contractor prior to the Effective Date, and the contractor hereby waives any claim or cause of action for any such services.
