Comments				<p>Comment on line 3 - Mechanical System</p> <p>Comment on line 4 - w/support Omaha is not a Mechanical System as spec'd Price for Electronic at this location. \$ 17,457 3 addendums attached</p>	<p>The prices above are based on the following:</p> <ul style="list-style-type: none"> * Each site will require access to a network to communicate with the Fleet software. Costs for supplying the network connection to the island readers at each site is the responsibility of the owner/state. * Prices include a 2 year parts and labor warranty on the hardware supplied at each site. * Software maintenance is included for 1 year after installation on the FHO software and for each Islander Plus system. If a second year of software maintenance is to be included at purchase it could be added 450.00 per site. A second year contract on FHO software base on 10 site license could be added at original purchase for 999.00. * Prices for software maintenance renewals are subject to change effective Nov.1.2015 * Price for Hasp key is based on up to 10 sites. If a 5 site license were to be purchased the cost could be reduced by - 4,215.00 * Islander Plus system includes the capability to interface with Veeder Root TLS-350 and TLS-450 tank monitor systems. No cost is included for upgrading the existing tank monitors if needed or cabling between the tank monitors and island readers are included in the prices quoted.
