

Attachment B

Pre-Proposal Conference Itinerary

4875Z1

The mandatory Pre-Proposal Conference, to be held on January 22nd, 2015 will be as follows:

All attending contractors will meet at 2445 West Furnas Ave, Lincoln NE. - Civil Engineer Squadron classroom at 0900 hours. The site visit of all buildings/areas within the scope of work will be visited via a walking tour upon completion of initial presentation of the required services. All facilities are within a three block area from the Civil Engineer Squadron building. Facility visits will occur in the following order:

- B635- Civil Engineering
- B605- Engine Shop
- B608- AGE Facility
- B600- Main Hangar
- B2945- Base Operations
- B2600- Fuel Hangar
- B651- Communication/Supply
- B652- Medical Clinic
- B636- Composite Support
- B668- Base Fuels

A sign in sheet will be available at the initial meeting in B635 Civil Engineering. Bidders must be present at all locations per requirements of the Mandatory Pre-Proposal Conference within the RFP. It is anticipated that the Mandatory Pre-Proposal Conference will be completed by 1130 hours Central time.

NOTE: A completed Notification of Intent to Attend (Form B) is required by the date listed on the schedule of events and must be completed for each person, as a background check will be performed before the scheduled Mandatory Pre-proposal Conference and Walk Through. A Government issued id, ie. Driver's License will also be required to enter the Nebraska Air National Guard base.
