## Cost Proposal

### Request for Proposal Number 4953Z1

The bidder must indicate pricing per the following deliverables:

Fleshed-out design specification completed and approved	10%
Database design completed and approved	5%
Coding and unit testing for e-filing completed	10%
Coding and unit testing for third-party filings completed	10%
Coding and unit testing for internet completed	10%
Coding and unit testing for public searches completed	10%
Consolidation/integration testing completed	10%
Training provided to NADC personnel	5%
Software installation to the production environment	10%
Any and all Application deficiencies/problems resolved	20%

The price for the initial period must be indicated as a lump sum.

The contract has the option to be renewed for ten (10) additional one (1) year periods as mutually agreed upon by all parties. Please indicate pricing for the first renewal and second renewal for the pricing for support and maintenance. Renewal costs will not increase by more than 3% over the previous period. All increases shall be calculated against the previous period's price and agreed upon in writing between the State and the Contractor upon renewal.

Pricing Spreadsheet		Initial period	First renewal	Second renewal
1.	Pricing for development and purchase of the software plus warranty support through February 15, 2018.			
2.	Pricing for support and maintenance which encompasses all original requirements of the RFP.
