Questions and Answers

Following are the questions submitted and answers provided for the above mentioned Invitation to Bid. The questions and answers are to be considered as part of the Invitation to Bid. It is the Bidder's responsibility to check the State Purchasing Bureau website for all addenda or amendments.

QUESTIONS	ANSWERS
<p>1. Under Physical Requirements, in regards to Question 35: What functionality do you envision bar code technology being able to facilitate?</p>	<p>The functionality we envision is for the bar code technology to be able to facilitate stocking, restocking, and removal of stock from the controlled substance management machine. Essentially being able to match the product to the bin with barcode scanning. Bidders should provide the best solution to the requirements of this ITB.</p>
<p>2. How far into the future do you envision incorporating bar code technology?</p>	<p>Future barcode technology incorporation is dependent on budget. This is a medium range goal that is targeted for the next 2-3 years.</p>

This addendum will become part of the ITB and should be acknowledged with the Invitation to Bid.
