## Questions and Answers

Following are the questions submitted and answers provided for the above mentioned Request for Proposal. The questions and answers are to be considered as part of the Request for Proposal. It is the Bidder's responsibility to check the State Purchasing Bureau website for all addenda or amendments.

<b>QUESTIONS</b>	<b>ANSWERS</b>
<p>1. We have read the "Best and Final Offer Letter" and want to make sure that we complete the cost proposal form correctly. The letter states "...The Bidder needs to provide the total price per each class." We have interpreted this to mean, for example, for Core Education "Group Counseling", which is to be offered 2 times per year, that the cost listed should not be the total for the two classes but rather the cost of one class. Is that correct?</p>	<p>Yes, that is correct. In the example for Core Education "Group Counseling", which is to be offered 2 times per year, that the cost provided by the bidder should be the cost of one course.</p>

This addendum will become part of the proposal and should be acknowledged with the RFP.
