Questions and Answers

Following are the questions submitted and answers provided for the above mentioned Invitation to Bid. The questions and answers are to be considered as part of the Invitation to Bid. It is the Bidder's responsibility to check the State Purchasing Bureau website for all addenda or amendments.

QUESTIONS	ANSWERS
1. Will the State of Nebraska bid calcium chloride in the bag this year?	This is not a liquid de-icing product and is not part of this bid. We currently do not have a contract for Calcium Chloride Flakes or Pellets. If we determine a need for this product, it will be posted as a separate bid proposal.

This addendum will become part of the ITB and should be acknowledged with the Invitation to Bid.
