The following request has been submitted and response provided for the above mentioned Request for Proposal. It is the Bidder's responsibility to check the State Purchasing Bureau website for all addenda or amendments.

<b>Request</b>	<b>Response</b>
Based on the recent addendum requiring significant hardware to be added to the project for Inmate Communications, I am respectfully requesting more time to do our financial evaluations and receive executive approval.  I am wondering if you would consider extending the due date by one week.	No. The schedule of events will remain as posted.
