AS Materiel State Purchasing
RE: Addendum for 5112 OF

Original Opening Date and Time: September 21, 2015, at 2:00 p.m.

The State's intent is to award this solicitation to a vehicle or vehicles which can meet the Requirements for Vehicle Purchase with Federal Transit Administration (FTA) Funds, due to business needs.

If no units are available which meet the Requirements for Vehicle Purchase with Federal Transit Administration (FTA) Funds, Bidders may submit an alternative bid that meets all other specifications; the State will consider an alternative award in that event.

This addendum will become part of the bid and should be acknowledged with the ITB.
