 To: All Bidders  
 From: Teresa Fleming/Jennifer Crouse, Buyers  
 AS Materiel Purchasing  
 RE: Addendum for Request for Proposal Number 5199 Z1  
 to be opened February 25, 2016 at 2:00 p.m. Central Time

### Questions and Answers

Following are the questions submitted and answers provided for the above mentioned Request for Proposal. The questions and answers are to be considered as part of the Request for Proposal. It is the Bidder's responsibility to check the State Purchasing Bureau website for all addenda or amendments.

| <u>Question Number</u> | <u>RFP Section Reference</u> | <u>RFP Page Number</u> | <u>Question</u>   | <u>State Response</u>  |
|------------------------|------------------------------|------------------------|---|--|
| 1.                     |                              |                        | What was last years cost of the Maintenance contract?   | \$30,616.63  |
| 2.                     |                              |                        | Who holds the current contract for waste removal services and what was the cost of this contract?                         | The Game and Parks Commission does not have a contract for the waste removal services for Memphis SRA as it is provided through the current Contractor.  |
| 3.                     |                              |                        | What is the number of Vault toilets and the sizes of the underground holding tanks?                                       | There are six (6) vault toilets. Two (2) of the vault toilets have 1000 gallon tanks. The other four (4) vault toilets are between 600-1000 gallons.   |
| 4.                     |                              |                        | How many times in the last year were the Vault toilets pumped out and will they be empty for the start of a new contract? | Vault toilets were pumped twice during last season – once in mid-May and again in mid-July. The toilets have minimal use in the off season and have not been pumped since mid-July. The vault toilets will not be pumped prior |

|    |  |  |  |   |
|----|--|--|--|---|
|    |  |  |  | <p>to the Contractor start date.</p> <p>Section IV. Project Description Scope of Work, B. Scope of Services 2. b. is hereby deleted in its entirety and replaced with the following:</p> <p>“Pumping, (at Contractors expense) of designated vault toilets by a certified/licensed agent, with all pumped material hauled from the property and disposed of in a licensed sanitation facility. The Commission is to be notified in advance of the Contractors choice of service provider and receipts for services shall be submitted with monthly invoice. Subcontractors must be approved by the Commission. The Contractor must pump the vault toilets a minimum of once during the season and be pumped at the end of the season. Provide a list of potential subcontractors that will be secured to pump septic and a projected timeline as to when septic is pumped.”</p> |
| 5. |  |  | <p>Is it possible to get a schedule of activities or special events that were offered in the past?</p> | <p>Special events from the past have included: “a community campfire and marshmallow roast held Saturday nights from Memorial Day – Labor Day, a fossil find located at the campground, duck call demonstrations, bird identification activities, and a professional bass fisherman speaker for guests.</p>   |

This addendum will become part of the proposal and should be acknowledged with the Request for Proposal.
