### Optional Consulting Services Pricing Spreadsheet

Provide the hourly rate for additional consulting services for new time and materials projects that might be requested by the NCBVI, as related to the CMS. There is no guarantee on the number of hours that will be used.

The bidder must list each role/title and provide an hourly rate. These rates are fixed for the initial term of the contract.

Role/title	Hourly rate

For optional services, actual travel expenses can be billed separately. In such case the quoted rates must not include those expenses. Travel must be authorized before it happens. Travel expense may include mileage, car rental, meals, parking, fuel, hotel, airfare, taxi. Receipts are required for all items. Google (or like software) map of the shortest route between two points is required for all mileage. Mileage rate is based on Federal defined rates. Expense may not include durable goods or commodities. Excessive tipping is not allowed. Alcohol is not reimbursable. Actual travel

expenses will not exceed the limits as defined by the State's travel reimbursement policies. It is the Contractor and sub-contractor(s) responsibility to understand the State's polices regarding travel reimbursement. Travel must be agreed upon by the State and the Contractor and is subject to Nebraska Travel Expense Policies which may be found at: <http://das.nebraska.gov/accounting/nis/am005.htm>.
