RE: Addendum for Request for Proposal Number 5256 Z1 to be opened
May 18, 2016 at 2:00 p.m. Central

Clarification

This purpose of this addendum is to clarify the impact of municipal contracts on State of Nebraska services and / or commodity needs.

The State of Nebraska cannot be bound by any municipal contract initiated by any political subdivision in the State of Nebraska. The State of Nebraska will determine the needs of State agencies and will competitively bid out for contractual services and goods.

This addendum will become part of the proposal and should be acknowledged with the Request for Proposal.
