1.			I was hoping to see if copper naphthenate post would be acceptable for quote, instead of creosote posts, as creosote is getting harder to find now. Also for the wood line posts, would 4" posts be acceptable instead of 3.5" posts.	Copper naphthenate posts or creosote posts are acceptable for this solicitation.  The diameter of the 6.5' posts can be either 3.5" or 4".

This addendum will become part of the ITB and should be acknowledged with the Invitation to Bid.
