

FORM C

COST PROPOSAL

REQUEST FOR PROPOSAL NUMBER 5311 Z1

It is expected that the awarded contractor will utilize the entire funded amount and therefore all bidders will be scored the same cost points. The Form C-Cost Proposal Worksheet will be evaluated as part of the Technical Approach.

The following is an outline for the basic elements toward which the available funding should be applied.

Cost Proposal	
1. BIA Program Implementation	
2. OAA Program Implementation	
3. Administration/Training	
4. Reporting	

The submitted Cost Proposal shall show allocation of the budget according to the areas listed above, and most importantly, provide rationale for the proposed budget allocations.
