Questions and Answers

Following is a question submitted and answer provided for the above mentioned Request for Proposal. The question and answer is to be considered as part of the Request for Proposal. It is the Bidder's responsibility to check the State Purchasing Bureau website for all addenda or amendments.

<u>Question Number</u>	<u>RFP Section Reference</u>	<u>RFP Page Number</u>	<u>Question</u>	<u>State Response</u>
1.			We would like to formally request you for an extension to the submission date of the response to your RFP #5330Z1, DMA. We understand that you have extended the submission date once before but given the vastness of the RFP requirements (more than 720) we would to request another extension in order for us to put together a highly commendable, credible and competitive proposal for your kind perusal.	The State declines the request to extend the Opening Date.

This addendum will become part of the proposal and should be acknowledged with the Request for Proposal.
