

## **ADDENDUM FOUR**

Date: July 9, 2014

To: All Bidders

From: Heather Sullivan, Buyer II  
Nebraska Department of Correctional Services

RE: Addendum for Request for Proposal Number 74212 O3. Change in rejection of bids and award of contract.

---

### **Scope of Addendum**

Due to an error on the part of USPS, a second valid bid was delivered to the wrong address and was not considered during the bid opening. Upon receipt and review of the bid, it was determined the bid was mailed to the correct NDCS address to Building 1, but records show it was received by Building 9, which is not part of the NDCS. Because the vendor had no control over this situation, the bid was determined to be valid and award will be made to Frequency Technologies Corp. dba Flatwater Communications.

This addendum will become part of the proposal and should be acknowledged with the RFP.
