## B. Cost Proposal

CCS is proposing a base staffing plan consistent with current staffing with the following two (2) adjustments:

- Added a Dental Hygienist, per RFP
- Added four (4) hours of Psychiatry time per week, per RFP

We are extremely proud of the continued efficiencies found by our staff, as this staffing pattern has not changed since 2004 yet the amount of work continues to increase.

**Tecumseh - Then and Now**

| | 2004 | 2009 | Increase |
|---|---|---|---|
| **ADP** | 800 | 936 | 17% |
| **Annual Physicals** | 97 | 176 | 81% |
| **Intakes** | 235 | 375 | 59.6% |
| **Total Sick Calls** | 7966 | 8785 | 10.3% |
| **Ambulance Trips** | 8 | 27 | 237.5% |
| **Specialty Consults** | 200 | 267 | 33.5% |

Please note that our current staffing for CMAs (168 hours) is 48 hours more per week than the minimum requirements (120 hours) in the RFP. We believe any reductions to staffing beyond those discussed in our pricing proposal would be detrimental to the program's success.

***Staffing Plan changes for no Pharmacy option:**
CCS has reduced staffing by 1.0 FTE CMA on night shift for option without pharmacy financial responsibility (still exceeds RFP minimums).

**Alternate Staffing:**
Same as above but without the Dental Hygienist.

In an effort to address the needs of TSCI and the NDCS, CCS has submitted two responsible pricing options, each with and without pharmacy services. Below is a review of each pricing option.

| Options | Year One | Year Two | Year Three |
|---|---|---|---|
| ***1. Base Proposal with staffing that meets or exceeds all minimum requirements.*** | | | |
| A. Base Cost w/ RX (940-978 inmates) | $4,159,406 | $4,304,986 | $4,455,660 |
| Per Diem under 940 inmates | $2.50 | $2.59 | $2.68 |
| B. Base Cost w/o RX (940-978 inmates)* | $3,824,634 | $3,958,496 | $4,097,043 |
| Per Diem under 940 | $1.72 | $1.78 | $1.84 |
| ***2. Alternate Staffing Proposal (Removed Dental Hygienist).*** | | | |
| A. Base Cost w/ RX (940-978 inmates) | $4,083,403 | $4,226,322 | $4,374,244 |
| Per Diem under 940 inmates | $2.50 | $2.59 | $2.68 |
| B. Base Cost w/o RX (940-978 inmates)* | $3,748,630 | $3,879,832 | $4,015,627 |
| Per Diem under 940 | $1.72 | $1.78 | $1.84 |

CCS proposes capping increases for mutually agreeable option years 4 and 5 at 4.5%.

* removed 1.0 FTE (40 hours per week) of CMA time but still would be providing more hours than RFP minimum.

## Price comparison: New Proposal versus Current Contract

### Current Run Rate

| | |
|---|---|
| Base Price (800 People) | $3,813,512 |
| Per Diem for ADP over 800 | $3.51 |
| ADP average of 936 = Additional Cost of 136*$3.5089*365 | $174,182 |
| Additional Staffing: Dental Hygienist | $74,880 |
| Additional Staffing: Pysch Hours (4 per week) | $35,360 |
| Current Annual Cost (Base + TTM calculation) | **$4,097,934** |

**Proposed Base Pricing = $4,159,406 versus current run rate of $4,097,934**

CCS is proposing only a 1.5% increase over our current contract for year one of this new contract while also providing the NDCS with up to 42 per diem "free" inmates (978-936 = 42).

## Contract Discussion Topics

CCS respectfully requests the ability to discuss safe keepers and potential on-site costs associated with this population, specifically pharmacy. We would appreciate additional information on criteria for safe keepers and to better understand what would happen if an extremely high dollar patient was housed in TSCI (e.g. a hemophiliac that has medication costs of $10,000+ per month.)

| Staffing Salaries | | |
|---|---|---|
| Job Title | Hourly Salary w/o Shift Differentials | Average Costs w/ Fringe Benefits |
| Physician | $99.77 | Subcontractor |
| Health Service Administrator | $38.38 | $45.67 |
| Mid-Level | $38.38 | $45.67 |
| RN | $26.16 | $31.13 |
| LPN | $19.81 | $23.57 |
| CMA | $12.79 | $15.22 |
| Medical Records | $19.19 | $22.83 |
| X-Ray Technician | $21.32 | $25.37 |
| Administrative Assistant | $15.99 | $19.03 |
| Dentist | $72.49 | Subcontractor |
| Dental Assistant | $17.01 | $20.23 |
| Director of Nursing | $32.78 | $39.01 |
| Psychiatrist | $187.46 | Subcontractor |
| Optometrist | $159.91 | Subcontractor |
