H. SUBMISSION OF PROPOSALS

The following describes the requirements related to proposal submission, proposal handling, and review by the State.

To facilitate the proposal evaluation process, one (1) original of the entire proposal should be submitted. Proposals must be submitted by the proposal due date and time. **A separate sheet must be provided that clearly states**

which sections have been submitted as proprietary or have copyrighted materials. All proprietary information the bidder wishes the State to withhold must be submitted in accordance with the instructions outlined in Section III, Proprietary Information. Proposal responses should include the completed Form A, Bidder Contact Sheet. Proposals must reference the Request for Proposal number and be sent to the specified address. Please note that the address label should appear in Section II part A as specified on the face of each container or bidder's bid response packet. Rejected late proposals will be returned to the bidder unopened, if requested, at bidder's expense. If a recipient phone number is required for delivery purposes, (402) 471-4753 should be used. The Request for Proposal number must be included in all correspondence.

Emphasis should be concentrated on conformance to the Request for Proposal instructions, responsiveness to requirements, completeness and clarity of content. If the bidder's proposal is presented in such a fashion that makes evaluation difficult or overly time consuming, it is likely that the bid will be rejected.

IMPORTANT NOTICE: Pursuant to Neb. Rev. Stat. §84-602.02, all State contracts in effect as of January 1, 2014 will be posted to a public website beginning July 1, 2014. The Technical and Cost Proposals should be presented in separate sections (loose-leaf binders are preferred) on standard 8 ½" x 11" paper, except that charts, diagrams and the like may be on fold-outs which, when folded, fit into the 8 ½" by 11" format. Figures and tables must be numbered and referenced in the text by that number. They should be placed as close as possible to the referencing text.

J. LATE PROPOSALS

Proposals received after the time and date of the proposal opening will be considered late proposals. Rejected late proposals will be returned to the bidder unopened, if requested, at bidder's expense. The State is not responsible for proposals that are late or lost due to mail service inadequacies, traffic, or any other reason(s).

K. REJECTION OF PROPOSALS

The State reserves the right to reject any or all proposals, in whole or in part, or to award to multiple bidders in whole or in part. All awards will be made in a manner deemed in the best interest of the State.

The State will conduct a fair, impartial, and comprehensive evaluation of all proposals in accordance with the criteria set forth below. The State may elect to use a third-party to conduct credit checks as part of the corporate overview evaluation. Areas that will be addressed and scored during the evaluation include:

1. Corporate Overview shall include but is not limited to:
 - a. the ability, capacity, and skill of the bidder to deliver and implement the system or project that meets the requirements of the Request for Proposal;
 - b. the character, integrity, reputation, judgment, experience, and efficiency of the bidder;

Neb. Rev. Stat. §73-107 allows for a preference for a resident disabled veteran or business located in a designated enterprise zone. When a state contract is to be awarded to the lowest responsible bidder, a resident disabled veteran or a business located in a designated enterprise zone under the Enterprise Zone Act shall be allowed a preference over any other resident or nonresident bidder, if all other factors are equal.

Resident disabled veterans means any person (a) who resides in the State of Nebraska, who served in the United States Armed Forces, including any reserve component or the National Guard, who was discharged or otherwise separated with a characterization of honorable or general (under honorable conditions), and who possesses a disability rating letter issued by the United States Department of Veterans Affairs establishing a service-connected disability or a disability determination from the United States Department of Defense and (b)(i) who owns and controls a business or, in the case of a publicly owned business, more than fifty percent of the stock is owned by one or more persons described in subdivision (a) of this subsection and (ii) the management and daily business operations of the business are controlled by one or more persons described in subdivision (a) of this subsection. Any contract entered into without compliance with this section shall be null and void.

Therefore, if a resident disabled veteran or business located in a designated enterprise zone submits a bid in accordance with Neb. Rev. Stat. §73-107 and has so indicated on the RFP cover page under "Bidder must complete the following" requesting priority/preference to be considered in the award of this contract, the following will need to be submitted by the vendor within ten (10) business days of request:

- a. Documentation from the United States Armed Forces confirming service;
- b. Documentation of discharge or otherwise separated characterization of honorable or general (under honorable conditions);
- c. Disability rating letter issued by the United States Department of Veterans Affairs establishing a service-connected disability or a disability determination from the United States Department of Defense; and
- d. Documentation which shows ownership and control of a business or, in the case of a publicly owned business, more than fifty percent of the stock is owned by one or more persons described in subdivision (a) of this subsection; and the management and daily business operations of the business are controlled by one or more persons described in subdivision (a) of this subsection.

Failure to submit the requested documentation within ten (10) business days of notice will disqualify the bidder from consideration of the preference.

Evaluation criteria will become public information at the time of the Request for Proposal opening. Evaluation criteria and a list of respondents will be posted to the Internet at: <http://dhhs.ne.gov/medicaid/Aging/Pages/AgingHome.aspx> and/or <http://das.nebraska.gov/materiel/purchasing.html>. A., Procuring Office and Contact Person, of this RFP. After the award of the contract, all notices under the contract shall be deemed duly given upon delivery to the staff designated as the point of contact for this Request for Proposal, in person, or upon delivery by U.S. Mail, facsimile, or e-mail. Each bidder should provide in its proposal the name, title, and complete address of its designee to receive notices.

1. Except as otherwise expressly specified herein, all notices, requests, or other communications shall be in writing and shall be deemed to have been given if delivered personally or mailed, by U.S. Mail, postage prepaid, return receipt requested, to the parties at their respective addresses set forth above, or at such other addresses as may be specified in writing by either of the parties. All notices, requests, or communications shall be deemed effective upon personal delivery or three (3) calendar days following deposit in the mail.

2. Whenever the Contractor encounters any difficulty which is delaying or threatens to delay its timely performance under the contract, the Contractor shall immediately give notice thereof in writing to the State reciting all relevant information with respect thereto. Such notice shall not in any way constitute a basis for an extension of the delivery schedule or be construed as a waiver by the State of any of its rights or remedies to which it is entitled by law or equity or pursuant to the provisions of the contract. Failure to give such notice, however, may be grounds for denial of any request for an extension of the delivery schedule because of such delay.

Either party may change its address for notification purposes by giving notice of the change, and setting forth the new address and an effective date.

For the duration of the contract, all communication between Contractor and the State regarding the contract shall take place between the Contractor and individuals specified by the State in writing. Communication about the contract between Contractor and individuals not designated as points of contact by the State is strictly forbidden.

|------------------|------------------|--|-----------------|
| | | | |

The State may terminate the contract, in whole or in part, in the event funding is no longer available. The State's obligation to pay amounts due for fiscal years following the current fiscal year is contingent upon legislative appropriation of funds for the contract. The State will give the Contractor written notice thirty (30) calendar days prior to the effective date of any termination, and advise the Contractor of the location (address and room number) of any related equipment. All obligations of the State to make payments after the termination date will cease and all interest of the State in any related equipment will terminate. The State may, by providing a written notice of default to the Contractor, allow the Contractor to cure a failure or breach of contract within a period of thirty (30) calendar days (or longer at State's discretion considering the gravity and nature of the default). Said notice shall be delivered by Certified Mail, Return Receipt Requested, or in person with proof of delivery. Allowing the Contractor time to cure a failure or breach of contract does not waive the State's right to immediately terminate the contract for the same or different contract breach which may occur at a different time. In case of default of the Contractor, the State may contract the service from other sources and hold the Contractor responsible for any excess cost occasioned thereby.

Bidders shall be prohibited from utilizing the services of lobbyists, attorneys, political activists, or consultants to secure the contract. It is the intent of this provision to assure that the prohibition of state contact during the procurement process is not subverted through the use of lobbyists, attorneys, political activists, or consultants. It is the intent of the State that the process of evaluation of proposals and award of the contract be completed without external influence. It is not the intent of this section to prohibit bidders from seeking professional advice, for example consulting legal counsel, regarding terms and conditions of this Request for Proposal or the format or content of their proposal.

The State Unit on Aging is within the Nebraska Department of Health and Human Services, Division of Medicaid and Long-Term Care.

The Nebraska State Unit on Aging ensures that Nebraska's elders have access to the supportive services necessary to live with dignity, security, and independence. Funded by the Older Americans Act, The Nebraska Community Aging Services Act and the Nebraska Department of Health and Human Services, the State Unit on Aging has broad responsibilities for addressing the concerns of aging Nebraskans. Headed by an Administrator and guided by a twelve person, governor-appointed advisory committee, the Unit is responsible for the planning, development, and administration of programs as outlined in the Older Americans Act (OAA), including the Long-Term Care Ombudsman Program, for older persons in Nebraska. In doing so, the Unit administers OAA programs for supportive services (in-home services, access services), legal services (fraud prevention, financial advice), and nutrition services (home delivered meals, congregate meals, education). It also administers programs that provide senior community employment, legal services, and respite care for caregivers. In accordance with the OAA, the Unit developed a four (4) year State Plan on Aging which can be found online:

Partners include Nebraska's area agencies on aging, senior centers, Medicaid, the State Long-Term Care Ombudsman, the Office of the Public Guardian, and many others who provide services to older adults.

With the Aging and Disability Resource Center demonstration projects, the State Unit on Aging is expanding its collaborative efforts with the disability network.

The Older Americans Act (OAA) promotes the well-being of older individuals by providing services and programs designed to help them live independently in their homes and communities. These programs help seniors age in place.

1. Older American’s Act: Title III-B, III-C, III-D, III-E, and Title VII
2. Older American’s Act: Title IV – competitive grants

At the Federal level, the Administration on Aging (AoA) awards funds for nutrition and supportive home and community-based services to 56 State Units on Aging, 629 Area Agencies on Aging, 244 Tribal organizations, and 2 Native Hawaiian organizations. In addition, funds are awarded for disease prevention/health promotion services, elder rights programs (long-term care ombudsman program, legal services, and elder abuse prevention efforts), the National Family Caregiver Support Program (NFCSP) and the Native American Caregiver Support Program (NACSP).

OAA funding for programs is allocated to each State Unit On Aging based primarily on the number of persons 60 years of age and over (70 years of age and older for the NFCSP – National Family Caregiver Support Program) in the state. Nebraska does not have a formal NFCSP.

In Nebraska, the State Unit on Aging grants funds to the Area Agency on Aging (AAA) designated for each PSA. The AAA determines the needs of older persons in the PSA and works to address those needs through the funding of local services and through advocacy. B. COST PROPOSAL REQUIREMENTS

This section describes the requirements to be addressed by bidders in preparing the Cost Proposal. The bidder must submit the Cost Proposal in a section of the proposal that is a separate section or is packaged separately as specified in the RFP from the Technical Proposal section.

The component costs of the fixed price proposal for providing the services set forth in the Request for Proposal must be provided by submitting forms substantially equivalent to those described below.

1. PRICING SUMMARY

This summary shall present the total fixed price to perform all of the requirements of the Request for Proposal. The bidder must include details in the Cost Proposal supporting any and all costs. These details must include, at a minimum, detailed descriptions and/or specifications of the goods and/or services to be provided, quantities, and timing and unit costs, if applicable.

The State reserves the right to review all aspects of the Cost Proposal for reasonableness and to request clarification of any proposal where the cost component shows significant and unsupported deviation from industry standards or in areas where detailed pricing is required.

2. PRICES

Prices quoted shall be net, including transportation and delivery charges fully prepaid by the bidder, F.O.B. destination named in the Request for Proposal. No additional charges will be allowed for packing, packages, or partial delivery costs. When an arithmetic error has been made in the extended total, the unit price will govern.

C. PAYMENT SCHEDULE

The payment schedule for the project is tied to specific dates and deliverables. Invoices may be submitted by the Contractor on specific dates based on the completion and acceptance of related deliverables. No invoice will be approved unless the associated deliverables have been approved. A percentage of the total contract cost may then be invoiced based on the following schedule.
