

APPENDIX 2

EXAMPLES OF SERVICES OUTSIDE THE SCOPE OF BASE PUBLIC ADVOCATE SERVICES

- 1. Any natural gas rate case initiated before the Public Service Commission**
- 2. Any gas supply cost adjustment schedule proceeding initiated before the Public Service Commission**
- 3. Any proceeding in which the Public Advocate files a petition for relief, a protest or petition to intervene**
- 4. Any other proceeding requested or initiated by the Public Advocate, including proceedings to address consumer complaints made to the Public Service Commission**
- 5. Any investigation regarding the legality and reasonableness of rates, charges and practices of jurisdictional utilities**
- 6. Any other proceeding before the Commission in which it is appropriate for the Public Advocate for the Public Advocate to participate, including, not necessarily limited to, any hearings or other meetings specially set by the Public Service Commission related to natural gas matters and/or jurisdictional utilities, other than a rural and regulation proceeding initiated by the Nebraska Public Service Commission**
- 7. Formal complaint proceedings, whether initiated by the Public Advocate, Commission staff, or any other person or entity**
- 8. Attending any meeting or conference or performing any additional services that may be requested by the Executive Director beyond those provided for in the Base Public Advocate Services responsibilities agreement**
