Panduit PUP6504YL-EN CAT6	62	ROLL	\$531.00	\$32,922.00	\$597.47	\$37,043.14	\$460.00	\$28,520.00	\$536.00	\$33,232.00
Comments			Blue Cat6 plenum cable, not yellow. PUP6504BU per conversation and cover sheet				Quoting Superior Essex equal 54-246-2B (blue) Next Gafn category 6EX CMP (see comments)		per John & Don Phares cable needs to be blue rather than yellow in color	
Payment Terms					2%30 or Net 90% pd by end of month		Net 30		Net 30	
Delivery Days			7		10		5		1 week	
Comments					Freight Prepaid		Delivery days depending on factory site			

Per justification from the Division of Communications and the Department of Corrections, changing the cable brand/type would require replacement of the existing patch panels, jack/mini coms and existing cabling or the Panduit warranty would be voided. STP (shielded twisted pair), SCTP (screen twisted pair) and Cat 6 are all good solutions to help eliminate EMI (electrical magnetic interference) however once a standard is chosen, mixing and matching between types becomes a compatibility or proprietary issue.
