

Line #	ELISA Equipment Kits			AWARD Abraxis LLC				Strategic Diagnostic			
	Description	Qty	UOM	Brand	Model	Unit Price	Ext. Price	Brand	Model	Unit Price	Ext. Price
1	Immunoassay Spectrophotometer (acceptable brands and model numbers: SDI#A00003; Abraxis #475002; or similar 12mm test tube reader capable of reading 450nm wavelengths with printer and RS232 output)	1	EA	Abraxis	475002	\$ 3,900.00	\$ 3,900.00	SDI	RPA-II P/N 600011	\$ 3,450.00	\$ 3,450.00
	comment:							Upgraded - RPA II Photometer System w/110v Adapter, Printer & Printer Paper			
2	Acetochlor magnetic particle kit w/ >=100 tubes (capable of quantifying concentrations of 0.1 ppb or less)	186	EA	Abraxis	500021	\$ 450.00	\$ 83,700.00	N/A	N/A	N/A	\$ -
3	Alachlor magnetic particle kit w/ >=100 tubes (capable of quantifying concentrations of 0.1 ppb or less)	5	EA	Abraxis	500071	\$ 350.00	\$ 1,750.00	Rapid Assay	P# A00072	\$ 370.00	\$ 1,850.00
4	Atrazine magnetic particle kit w/ >=100 tubes (capable of quantifying concentrations of 0.1 ppb or less)	186	EA	Abraxis	500001	\$ 230.00	\$ 42,780.00	Rapid Assay	P# A00071	\$ 225.00	\$ 41,850.00
5	Metolachlor magnetic particle kit w/ >= 100 tubes (capable of quantifying concentrations of 0.1 ppb or less)	186	EA	Abraxis	500061	\$ 230.00	\$ 42,780.00	Rapid Assay	P# A00080	\$ 270.00	\$ 50,220.00
6	Glyphosate magnetic particle kit w/ >=100 tubes (capable of quantifying 0.1 ppb or less)	5	EA	Abraxis	500081	\$ 675.00	\$ 3,375.00	N/A	N/A	N/A	\$ -
7	Pyrethroid (pyrethroids detected as a group, or as individual active ingredients - please specify) magnetic particle kit w/ >=100 tubes (capable of quantifying concentrations of 1.0 ppb or less)	5	EA	Abraxis	500201	\$ 500.00	\$ 2,500.00	N/A	N/A	N/A	\$ -
	Pyrethroid group or individual active ingredient? If latter, please list each individually:			Premethrin Sumithrin							
Payment Terms				1% 30 Days				1% 20 Days			
Delivery Days ARO				3-7days ARO				Based on availability and orders received before 2pm (eastern time), orders will be shipped next day delivery for receipt.
