Comments						Line Posts-10,000 wire fastners. Cresote Treated 8# not 6# Barbed wire 2pt is 4-6 wk lead time.		2point on 4" center.		Cresote Treated full truck w/6"x8' post=1800 to 1900 3 1/2x 6 1/2 posts I need to order full trucks only. So I would need a larger order to fill 2nd truck. So at this time I would only be able to provide 1800 to 1900 posts as weight restrictions allowed. 14ga barb is not avialable I quoted 12 1/2ga to 2 point barbs 4" on Center.
