Due to the requirement for utility body options and the estimated contract usage, multiple contract awards have been awarded to meet the needs of using agencies.

Primary Award is awarded to the lowest responsible bidder meeting specifications. A Secondary Award may be awarded to the next lowest responsible bidder of a different model meeting specifications. A Third Award is possible to the next lowest responsible bidder meeting specifications to allow contract flexibility with options. An E85 Award is awarded to the lowest responsible bidder meeting specifications.

AWARD EXPLANATION
