Sid Dillon Ford

Vehicle Life Cycle formula was corrected to calculate on 80,000 miles instead of 8,000 from previous version of the bid tabulation. Vehicle Life Cycle and Low Cost align. Due to this, there will be no separate vehicle life cycle award(s).

Primary E85 Award is awarded to the lowest responsible bidder meeting specifications. A Secondary E85 Award may be awarded to the next lowest responsible bidder of a different model meeting specifications. A Third E85 Award is possible to the next lowest responsible bidder meeting specifications to allow contract flexibility with options. An E15 Award could be awarded to the lowest responsible bidder meeting specifications. An additional Secondary E15 Award could be awarded to the next lowest responsible bidder of a different model meeting specifications.
