A MEETING OF THE MINDS THE EMERGENETICS WORKSHOP EXPERIENCE

The Emergenetics **Meeting of the Minds**™ Program is a customizable, highly interactive workshop that meshes Emergenetics insights with your business needs.

PARTICIPANTS EXPERIENCE

- Insight into how they think and behave
- Increased understanding of colleagues
- Hands-on team-building exercises
- Brain science and research
- Tools for communication and workstyles

ORGANIZATIONS GAIN

- A foundation for working more effectively
- A new viewpoint on business challenges
- Communication strategies
- More creative teams
- Reduced conflict

A MEETING OF THE MINDS

A Meeting of the Minds is designed to ensure that every participant discovers who they are and understands how they work and communicate.

What does this mean for your organization?

A more cohesive organizational culture and a more efficient workplace.

Understanding of your workforce through a distinct lens of thinking and behavior.

WORKSHOP RESULTS

A **Meeting of the Minds** facilitates immediate increases in understanding and provides ongoing results like:

- More creative problem-solving
- Enhanced change management
- Accelerated learning
- Leadership development
- Stronger communication skills
- More dynamic teams
- Increased trust

“Emergenetics allowed our team to gain a better understanding of one another. During the session, it was amazing to see the energy that the team had. Perhaps the greatest benefit is that it has carried over into our work environment, enabling us to be a stronger team.”

- Amy G. Isola, SVP, Human Resources and Administration, Farmers National Bank
