<b>Description:</b> The Emergenetics Meeting of the Minds™ Program is a customizable, highly interactive workshop that meshes Emergenetics insights with your business needs. A Meeting of the Minds is designed to ensure that every participant discovers who they are and understands how they work and communicate.  <b>Hosted by:</b> Administrative Services  <b>Purpose:</b> Emergenetics works for organizations because all organizations, big or small, are built on people—how they interact and how they work. We build on these interactional and relationship-oriented aspects to provide results that help businesses operate to their highest potential. Emergenetics ultimately provides organizations with the ability to analyze and value their workforce and better capitalize on human assets—whether in terms of productivity, leadership, decision-making, attitudes, or teamwork.  <b>Intended Audience:</b> This course is applicable to anyone who desires a greater insight into how and why they think the way they do, learning ways to better motivate their team, improve communication, improving mutual understanding, and increase both their personal and team effectiveness.
