

# Benefit Enrollment Completion Status Report (R5808975)

## Overview

This report will help each agency monitor their employee's progress during the Benefits Open Enrollment period. Included in this report is a "Done" column that indicates if the employee has completed or not completed (Y or N) the Benefits Open Enrollment event. Also included on this report is the employee's transaction number or electronic signature and the date / time the event was completed. By running this report on a weekly basis during Benefits Open Enrollment, the agency will be able to track who has and has not completed the event prior to the established deadline.

## NIS Policies

The tasks in this documentation provide end users with the tools to enter data and collect data in NIS. It is the responsibility of the agencies to comply with State Statutes, Federal Rules and Regulations, and State policies. For further information concerning State Statutes and policies, please refer to both internal agency resources and the Department of Administrative Services website: [www.das.state.ne.us](http://www.das.state.ne.us).
