Name: _____ Soc. Sec. #: _____

Section I: Please take time to review the job description for the Developmental Technician position before continuing with this questionnaire.

1. Have you ever worked at Beatrice State Developmental Center before?
 Yes No If yes, under what name, dates and job title?

 - a) This job requires that an employee must be at least 18 years of age. Do you meet this requirement? Yes No If no, when? _____.

2. BSDC is a health care facility that provides services seven days a week, 24 hours a day. Due to training that will occur the first year, you may be required to work a variety of hours. Does this create a problem? Yes No
 If yes, please explain. _____

3. Lifting 50 to 200 pounds to a height of 36 inches with assistance is a significant requirement for many jobs you might be assigned to. You must be able to use proper lifting techniques, including a "buddy" lift (2 person lift) with most of the clients. Would you be able to do this lifting with or without assistance? Yes No
 If no, please explain. _____

 If assistance is required, please specify what type of assistance would be needed. _____

4. Regardless of where you may be hired to work, you may encounter behavior problems, including aggressive individuals. Staff do get hit, scratched, or bitten. You will receive general guidelines in dealing with behavior problems through an initial orientation and other required Staff Development classes. Staff are not expected to work alone on the living units on first and second shifts. There is always a minimum of at least 2 staff on duty on first and second shifts.

5. Several individuals on campus have been diagnosed as carriers of infectious diseases, e.g., Hepatitis B. You may be hired to work on an area where one of these individuals lives or may be "pulled" to work in such an area. Staff at the facility receive training in special precautions when handling clients' body fluids. (If working in or "pulled" to such an area, these clients will be identified to you.)

6. Developmental Technicians are required to provide personal care (i.e., feeding, bathing, dressing, toileting) to clients. Please describe any related experience you have had in caring for children or adults:

I have read the job description for the Developmental Technician position and I understand the major duties expected. I have answered the above questions to the best of my knowledge.
