You will be evaluated on your experience and training. The evaluation score is based on your responses to the items below. Be sure to include personal life and volunteer experience as well as paid experience and formal training. Please be as accurate as you can. False information may lead to dismissal. **You do not need to have all the training and experience that is listed on this form to be considered for this position, but you need to show what you have.** Read through the whole form before you start to fill it out.
