Supplemental Questionnaire

Applicant Name: _____

Social Security Number: _____

INSTRUCTIONS:

The Supplemental Questionnaire is used to measure key knowledge, skills, and abilities required for this position. Candidates will be screened for further consideration based solely on how closely their responses on this questionnaire match our expectations. Failure to provide any portion of the information requested will be a basis for elimination from consideration. Accommodations for recognized disabilities should be requested in advance.

Each response must be supported by: specific examples of application, length of experience and/or training, and where the experience and/or training were obtained. Training refers to formal course work you have had, and may include workshops, seminars, scheduled in-service training, or one-day courses as well as college, university, or technical school courses. Experience may be paid work experience, volunteer work experience, or personal life experience. Any experience, education, or training referred to on this questionnaire must also be documented on your application.

Please feel free to handwrite your responses. It is not necessary to type. If there is not enough room for your responses, please attach a separate sheet. Be sure your name and Social Security number are on each sheet you submit.
