REQUEST TRAINING IN THE EMPLOYEE DEVELOPMENT CENTER

Most online training is done through the Employee Development Center website; to get started, first log in at <https://nebraska.csod.com/>. We will look at the online Defensive Driving course, though the steps are the same for other classes. Once logged in, follow these steps to request training:

1. In the search field on the upper-right corner of the Home Page, type the name of the class to assign and then press enter. In this example, we entered “Defensive Driving.”

2. On the Search page, click the title of the course – for the defensive driving course, we are looking for “Defensive Driving – Transportation Service Bureau 2012.”
