Gold's Gym valued corporate partner,

This week is Gold's Gym first FitFest of 2016. FitFest is our quarterly open house event with new class formats, prizes, vendors, and members can bring a guest for free.

During FitFest, we are also offering some great enrollment specials for our corporate partners. These enrollments include:

- Enroll yourself for 30% off of total upfront fees.
- Add a member of your household for an additional \$9.99.
- Include the entire family (up to 4) for a total of \$49.99.

These savings are huge, but they will only be available Tuesday, January 12 through Thursday, January 14. Please get the word out to your employees so they don't miss this incredible offer. Make sure they bring a guest.
